Freedom Rider Diary Carol Ruth Silver, 2014-01-21 Winner of the 2014 Eudora Welty Prize Arrested as a Freedom Rider in June of 1961 Carol Ruth Silver a twenty two year old recent college graduate originally from Massachusetts spent the next forty days in Mississippi jail cells including the Maximum Security Unit at the infamous Parchman Prison Farm She chronicled the events and her experiences on hidden scraps of paper which amazingly she was able to smuggle out These raw written scraps she fashioned into a manuscript which has waited unread for more than fifty years Freedom Rider Diary is that account Freedom Riders were civil rights activists who rode interstate buses into the segregated southern United States in 1961 to test the US Supreme Court rulings outlawing segregation in interstate bus and terminal facilities Brutality and arrests inflicted on the Riders called national attention to the disregard for federal law and the local violence used to enforce segregation Police arrested Riders for trespassing unlawful assembly and violating state and local Jim Crow laws along with other alleged offenses but they often allowed white mobs to attack the Riders without arrest or intervention This book offers a heretofore unavailable detailed diary from a woman Freedom Rider along with an introduction by historian Raymond Arsenault author of the definitive history of the Freedom Rides In a personal essay detailing her life before and after the Freedom Rides Silver explores what led her to join the movement and explains how galvanized by her actions and those of her compatriots in 1961 she spent her life and career fighting for civil rights Framing essays and personal and historical photographs make the diary an ideal book for the general public scholars and students of the movement that changed America

The Freedom Riders Across Borders Barbara Lüthi, 2022-08-30 The Freedom Riders Across Borders Contentious Mobilities provides the first comprehensive transnational historical analysis of the Freedom Rides It explores the transnational history of these social movements and the struggles for the right to mobility and other civil rights in the United States of America Australia and Palestine between 1961 and 2011 This book makes a significant contribution to the transnational studies of social movements and the burgeoning field of mobility studies by investigating the specific constellations of mobility as historically and geographically specific formations of movement as well as investigating how the images ideas and strategies of Freedom Riders were adapted translated and moved across time and space Foremost this book speaks to the pressing questions of the past and present concerning the politics and inequalities of mobilities impacting different social groups in different ways From a historical perspective it gives answers to the intensified interest and questions concerning the dynamics techniques and contentious politics of social movements in a globalized environment The book details how the question of mobility has come to constitute political conflict and protest over norms restrictions and representations It shows not only that mobility is a differentially accessed resource which shapes and is shaped by political processes but also that contestation is an equal part of forming mobility The book identifies vehicles as a mobile site of contestation and in the context of the Freedom Rides as a site of strategic political action In doing so Lüthi makes a

persuasive case for mobility to be given a central place in the study of progressive social movements As such this book will be of great interest to researchers in a number of disciplines including history geography and sociology Teaching History, Learning Citizenship Jeffery D.
