Living the Psalms Charles R. Swindoll, 2012-08-01 One of Christianity's most beloved pastors walks readers through the book of Psalms helping them live its comfort and promises in the face of adversity We all have those days when little problems become crises when doubt begins to overwhelm belief when exhaustion hits and happiness escapes And the book of Psalms offers words of strength and comfort for those troublesome times In this remarkably down to earth study of selections from Psalms one of Christianity's foremost pastors and authors explores such pressing themes as fear of the unknown discouragement and worry how to handle difficult people and what to do when God is silent Combining his trademark illustrations and insights with favorite passages from this beloved Bible book Charles Swindoll offers up a work that will help readers live the Psalms as never before Here is practical inspiration and victorious affirmation to get anyone through life's daily grind

Preaching Christ from Psalms Sidney Greidanus, 2016-11-10 In this penultimate volume of his series on preaching Christ from the Old Testament Sidney Greidanus offers expert guidance for busy pastors on preaching Christ from Psalms Beginning with a general introduction on how pastors can interpret and preach from the biblical psalms and why they should Greidanus proceeds by discussing twenty two psalms in the Revised Common Lectionary Year A supplying the building blocks

necessary to preach from Psalms at Christmas Easter Pentecost and other major days and seasons of the church year In addition to laying out basic homiletical theological approaches suitable for each selected psalm these chapters also provide verse by verse exposition bridges to Christ in the New Testament and ideas for placing the psalmist s words into contemporary context *The Living Psalms* Claus Westermann,1989-01-01 **Peloubet's Select Notes on the International Bible Lessons for Christian Living** ,1910 **The Living Age** ,1914 **Portraits of the Righteous in the Psalms** Daniel C. Owens,2013-08-23 What have the Psalms to do with ethics Readers prize the Psalter for its richly theological prayers but into these prayers are woven a variety of ethical issues This book explores the ethics of the Psalter by examining the four portraits of the righteous person that punctuate Book I It begins by studying these psalms as individual compositions and then employs both the canonical approach and dialogic criticism to identify the complex relationship between the portraits vision of the righteous life and its outcome Does the righteous person enjoy security and the good life The answer may be surprising but joining the psalmist on the rocky path of the interface of faith and experience is certain to prove a formative experience *Living Psalms and Proverbs* Kenneth N.
