History of Service, 2001-08-17 *Charged: A Steamy Grumpy Boss Firefighter Romance* Carina Alyce, Do you love a grumpy boss romance where the ice cold Fire Chief falls hard for one of his lady firefighters? Throw in the Chicago Fire and Grey's Anatomy vibes with hot scenes. Grab your fan and clutch your pearls as the action, steamy, and plot twists will keep you reading all night long. I am the Boss: I crossed the line and I can't stop. Fire Chief Noah Baker has succumbed to temptation at last in the arms of firefighter Erin Hudgens. Her sunny attitude can melt even the grumpiest boss's heart. Their secret relationship is burns like fire and is just as dangerous. They're risking their careers and possibly the lives of their fellow firefighters if they don't gain control of their passion. If anyone discovers their secret, they're doomed. Quitting now before they get too deep is the safest course. Except neither of them is interested in staying safe. Cooked Adrienne Giordano, 2020-08-07 To taste success in this world, Lucie Rizzo knows that you need a good recipe. And this time she finally has one. After several failed business ventures and years of escaping her family's mobster past, Lucie has a hot new business idea that she knows will taste like victory. And with the help of her creative genius BFF, her new cooking business is sure to be a hit. All they need is the right investor. French chef Antoine Durand has made casseroles sexy again. His closely guarded secret recipe built a billion-dollar empire. He's got the cred and the cash to turn Lucie's dream into a reality. And just when Antoine is about to take a bite out of her proposal, a disastrous fire breaks out in his restaurant, leaving his business charred and his priceless recipe stolen. The number one suspect? Lucie. She might be a mob princess, but she's no thief. And she's certainly no blackmailer. Someone has beef with the chef. Now Lucie is left with no other choice than to do the one thing she hates the most: ask her mobster father for help. The knives are out, and the Rizzo crew needs to find out who before Antoine puts Coco Barknell out of business and Lucie behind bars. Just when Lucie thought she was out of the heat, she's right back in the kitchen. There are two things you can count on when reading a Lucie Rizzo Dog Collar series book: laughs and pure entertainment. Goodreads Review **Playing with Fire** Anne Barry, 2007 If you have ever imagined what it would be like to be the only woman working and sleeping in a totally male environment, then let Anne Barry take you on her journey. As the first woman in Australasia to fight for and win the right to have the career she wanted, Anne faced many hurdles to become a professional firefighter. Her case went all the way to the Equal Opportunities Commission, to the Human Rights Commission, and even to Members of Parliament over a period of almost two years before she was finally accepted for the recruitment course in 1981, which she passed with flying colours. She went on to have a distinguished career in the Fire Service for more than 20 years. Anne's writing is vivid and engaging, while racy and laced with humour. **Design of Duty Schedules for Fire Service Personnel** Nelson B.
