Flawed Kate Avelynn,2012-11-20 Sarah O Brien is only alive because of the pact she and her brother made twelve years ago James will protect her from their violent father if she promises never to leave him For years she s watched James destroy his life to save hers If all he asks for in return is her affection she ll give it freely Until with a tiny kiss and a broken mind he asks for more than she can give Sam Donavon has been James s best friend and the boy Sarah s had a crush on for as long as she can remember As their forbidden relationship deepens Sarah knows she s in trouble Quiet serious Sam has decided he s going to save her Neither of them realizes James is far more unstable than her father ever was or that he s not about to let Sarah forget her half of the pact

Flawed Oliver T Spedding,2024-02-16 Edward Horner was born with a silver spoon in his mouth but the spoon is tarnished as he suffers from a debilitating lack of self respect and self confidence This has dire consequences for him in his later years as he squanders his inherited fortune due to his irrational determination to prove himself It also creates an inability to confidently implement his own creative ideas Edward s marriage to Cynthia fails as he avoids the responsibilities of marriage and fatherhood His relationships and the various enterprises that he attempts to establish all fail as a result of his lack of self confidence and his failure to be forceful about his opinions Frustration at his helplessness and fear of failure become his constant companions Coupled with this is his failure to provide for his old age due to his incessant unrealistic imaginings of success and wealth Dream follows dream until suddenly there is no time for another dream As Edward s deteriorating financial status gains momentum he becomes the victim of his own na ve and desperate behaviour The position

of weakness that he constantly finds himself in adds to his frustration and despair. Belatedly he begins to see the error of his ways but is incapable of changing the debilitating self image and lack of confidence that he has been burdened with during his lifetime. Edward's failure isn't solely of his own making though.
