## **Church History In Plain Language Study Guide:**

*Church History in Plain Language* Bruce Shelley, 2013-12-10 *Church History in Plain Language* makes church history clear, memorable, and accessible to every reader. Dr. Bruce Shelley makes church history come alive in this classic book that has become not only the first choice of many laypeople and church leaders but the standard text in many college classrooms. *Church History in Plain Language* treats history as the story of people, their motivations, the issues they grapple with, the decisions they make, and the result is that history reads like a story, almost as dramatic and moving as a novel. This fourth edition, revised by R. L. Hatchett, brings the story of Christianity into the twenty-first century with detailed information on the theology of the early church and Reformation, Gnosticism, and its ongoing relevance; the rapid global extension and transformation of Christianity since 1900; the decline in traditional mainline denominations; the influence of technology on the spread of the gospel; how Christianity intersects with other religions in countries all over the world. *Church History in Plain Language* makes history easy to follow and retain by dividing the Christian story into the great ages of the church. Its clarity, organization, and historical accuracy are part of what make this book a go-to resource for today's readers. [Church History in Plain Language Workbook](#) Bruce Shelley, Stacey Shelley Lingle, 2022-08-30 This workbook is designed to accompany the fifth edition of Bruce Shelley's *Church History in Plain Language*. Following the textbook's structure, this workbook offers discussion questions for group and personal reflection, assessments, activities, and resources for further study, all of which reinforce the textbook's teaching and support the student's learning experience. The newest edition of Bruce Shelley's *Church History in Plain Language* brings the story of global Christianity into the twenty-first century. In this fifth edition, Marshall Shelley assembled a team of historians, historical theologians, and editors to revise and update his father's classic text. As a result, it now includes important stories of the development of Christianity in Asia, India, and Africa, both in the early church as well as in the twentieth and twenty-first centuries. It also highlights the stories of women and non-Europeans who significantly influenced the development of Christianity but whose contributions are often overlooked in overviews of church history. Covering recent events, this book also details the rapid growth of Christianity in the southern hemisphere, examines the influence of technology on the spread of the gospel, and discusses how Christianity intersects with other religions in countries all over the world. Together with this workbook companion, the new edition of *Church History in Plain Language* provides an easy-to-read guide to global Christianity and promises to set a new standard for readable church history. *Church History in Plain Language* Bruce Shelley, 2021-07-13 Bruce Shelley's classic one-volume history of the church, now in its 5th edition, brings the story of global Christianity into the twenty-first century and provides an easy-to-read guide to Christian history with compelling narrative and intellectual substance. [Church History in Plain Language](#) Bruce Shelley, 1996-04-19 It's about time that someone wrote church history that tells about people, not just about eras and ages. *Church History in Plain Language* taps the roots of our Christian family tree. It combines authoritative research with a

captivating style to bring our heritage home to us      **The Heart of Wisdom Teaching Approach** Robin Sampson,2005-04 Details the Bible based homeschool teaching approach for parents and discusses Christian education learning styles unit studies bible study and more      The Bible Questions Hal Seed,2012-07-03 Everyone has questions about the Bible from the senior pastor of the big church down the road to the guest at the hotel off the interstate Where did it come from What does it have to do with my life Hal Seed takes you on a tour into and behind the Bible so that you get to know it and the God who makes himself known in it      **The Writer and the Cross** Darren J.N. Middleton,2022-06-27 Spiritually engaged readers commonly look toward fiction to better understand the depth of a faithful life and Christians are no exception Many followers of Jesus value beautifully written deftly characterized and pulse quickening literary art that seems more satisfying than dry tedious doctrinal textbooks This book surveys 12 pieces of historical fiction that feature notable Christian thinkers They include an illustrated children s book about St Irenaeus of Lyons a novel about Martin Luther s Reformation a screenplay focusing on Dietrich Bonhoeffer and even a story about Pope Francis narrated in popular manga style Rather than arcane literary analyses this book provides thoughtful and sometimes painful interviews with the authors of the covered works Most interviewees are little known or emerging writers Some have published their work with a church or denominational press others with a major publishing empire or popular print on demand platforms Storytellers reflect on their literary choices and the contexts of their writing sharing what modern Christians can learn from historical religious fiction      **Foundations of Faith** Robert O.
