Chitpavan:

Origins of Chitpavan Brahmins Vibhakar Vitthal Lele, 2014-03-28 History of Chitpavan Konkanastha Brahmins Proto and Pre An excellent book by Mr Vibhakar Lele pieces together the most important story of who the Chitpavan Konkanastha Brahmins were from where they came their Kuldevatas original habitats customs and other important details It categorically disproves the ancient hollow anecdotes based upon mere mythical propositions and conjectural guesswork The author would like to share the story with Chitpavans and other well wishers and researchers Dr Rosalind O hanlon Professor of Indian History and Culture Oriental Institute Oxford who is researching Chitpavan Brahmins history opined that the underlying work by the author is most interesting She very much enjoyed and learned from it The book comprises of the propositions about the pre history of Chitpavan Brahmins Most of important scattered details have been put in place to stitch together their ancient and medieval history At the same time the author delves into their proto history from sage Agasti s times Mr Lele has made several singular original contributions in this book He has a novel approach to link up Chitpavans ancient history with the Veda branches they follow It is an attempt unheard of before He has given lot of supporting data maps photographs bibliography of great use to all the concerned Another novelty is his analytic deduction of the Chitpavans history from their Kuldevatas The myth of Parshuram is seen by him in its true perspective The other most important contribution by him is his new etymology of Chitpavan word derived from Agnichit He shows that their Chitpavan Id is effectively linked to their Vedic duty of Agnihotra The present day genetic research into Chitpavans ancestry has also been accounted for by the author to pronounce a proper verdict in simple terms on the subject Another fact he uses is Chitpavans being Dwivedis which was never before accounted for He cites epigraphs scholarly research and documents in support of his analysis how Chitpavans came from Ahichhatra in UP to Ambejohai and Vanavasi shifted to Kaveri river region and finally arrived in Konkan with the support of kings and emperors of their times He has brought to the notice of researchers quite a few obscure historical facts from Lele Kulvrittant Mr N S Rajpurohit an eminent archaeologist from Karnataka s research paper Vyadeshwarodaya of Vishwanath Pulkeshi and Kadamba reign Inscriptions in stone and Tamrapatas connected with Chitpavans ancestry Suffice it to say that Mr Lele has done something about Chitpavans past which had never before been attempted on such a large scale Perhaps after Chitpavan by Mr Chapekar this is a book which will serve as a written monument for Chitpavans history

Chitpavanism Jagannath Dixit, 2003-01-01 This Book Is About The Common History Of Those Families Which Make Up The Chitpavan Brahmin Community Lavishly Illustrated Condition Very Good As New Contents Covers 1 Remembering The Past Embracing The Future 2 Shades Of Forgotten Ancestors 3 Chitpavan Brahim Life In Ancient Times 4 Dabhol Here We Come 5 Life In Konkan 5 Our Religion Our Rituals 7 What Is In A Chitpavan Name 8 Life In Deccan Until 1818 9 Life In Poona Bombay In 1800S To Early 1900S And Chitpavans In Karnataka 10 Twist Of Fate 11 Globalization Of Culture To Chitpavanism 12 Global Chitpavan Hall Of Fame 13 Footnotes 14 Bibliography 15 Sources Of

Chitpavan Information Index **Aryans, Jews, Brahmins** Dorothy M. Figueira,2002-09-26 Explores the construction of the Aryan myth and its uses in both India and Europe **Maharashtra** Kumar Suresh Singh,B. V. Bhanu,Anthropological Survey of India,2004 Ethnological study *Structure and Change in Indian Society* Milton B. Singer,Bernard S. Cohn, Recent theoretical and methodological innovations in the anthropological analysis of South Asian societies have introduced distinctive modifications in the study of Indian social structure and social change This book reporting on twenty empirical studies of Indian society conducted by outstanding scholars reflects these trends not only with reference to Indian society itself but also in terms of the relevance of such trends to an understanding of social change more generally The contributors demonstrate the adaptive changes experienced by the studied groups in particular villages towns cities and regions The authors view the basic social units of joint family caste and village not as structural isolates but as intimately connected with one another and with other social units through social and cultural networks of various kinds that incorporate the social units into the complex structure of Indian civilization Within this broadened conception of social structure these studies trace the changing relations of politics economics law and language to the caste system Showing that the caste system is dynamic with upward and downward mobility characterizing it from pre British times to the present the studies suggest that the modernizing forces which entered the system since independence parliamentary democracy universal suffrage land reforms modern education urbanization and industrial technology provided new opportunities and paths to upward mobility but did not radically alter the system The chapters in this book show that the study of Indian society reveals novel forms of social structure change They introduce methods and theories that may well encourage social scientists to extend the study of change in Indian society to the study of change in other areas Milton Singer 1912 1994 was Paul Klapper Professor of Social Sciences and professor of anthropology at the University of Chicago He was a fellow of the Academy of Arts and Sciences He was also chosen as a distinguished lecturer by the American Anthropological Association and was the recipient of the Distinguished Scholar Award of the Association for Asian Studies Bernard S Cohn 1918 2003 was Professor Emeritus of Anthropology at the University of Chicago He was widely known for his work on India during the British colonial period and wrote many books on the subject of India including *India The Social Anthropology of a Civilization* 1971 *An Anthropologist among the Historians and Other Essays* 1987 and *Colonialism and its Forms of Knowledge* 1996 **Contradictions and Conflict** Donald V. Kurtz,1993-12-31 Contradictions in an Indian university s caste institutional and regional structures have impelled scholars as political agents to conflict for over forty years This work demonstrates the value of a subject oriented dialectical political anthropology for analyzing political conflict and historical agency *The Myth of the Lokamanya* Richard I. Cashman,2018-09-25 Lokamanya revered leader Bal Gangadhar Tilak 1856 1920 the extremist politician of Maharashtra a region of western India was one of the first Congress Party leaders to adopt the strategy of mass politics Interpretations of his role and his achievement differ greatly Some historians depict Tilak as India s first mass politician

who was a creative nationalist myth maker other suggest that he was an opportunist who manipulated politics for selfish elitist purposes With an eye to resolving these conflicting opinions Cashman related Tilak s ideology to his political organization the author concentrates on four mass movements studying the Lokamanya when he was engaged in political action and comparing his public statements with his political tactics This approach provides a means of examining the manner in which Tilak redefined myths and of assessing the value of myths for purposes of political mobilization Cashman suggests deficiencies in previous interpretations of Tilak Arguing that the limitations of the mass movements need not be explained by the inadequacies of myths he demonstrates that instead they reflected the transitional state of Maharashtraian society which lacked a broad consensus Tilak was active at a time when there was no common goal no broader objective in which sectional interests might be subsumed He symbolized the uncertain striving of his society for some new direction whose nature was yet unknown He did not create the myth of the Lokamanya or the ideology of nationalism but responding to social and political pressures became a prisoner of the myths Much writing of Indian history has been influenced either by a narrow ideological approach or by a retreat to arithmetical pragmatism Cashman attempts to restore a balance by reexamining the relationship of myth to politics This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1975 **Elites in South Asia** Edmund Ronald Leach,1970 Origins of Chitpavan Brahmins Vibhakar Vitthal Lele,2016-01-10 This Sarasvati River book is a sequel to the book Chitpavan Konkanastha Brahmins History Pre And Proto Like the previous book it further takes the history to its final logical conclusion It shows categorically that the Original Home of the Chitpavan Brahmins ancestors was right on the banks of the ancient Vedic River Sarasvati near its origin in the Himalayas in the region now known as Uttarakhanda of India The Chitpavan Brahmins ancestors were called Agnihotri Brahmins then and were the neighbours of the Maithili Brahmins ancestors in the region to their north east as narrated In the companion book Chitpavan Konkanastha Brahmins History Proto And Pre of this author it was seen that the historic connection to Ahichhatra in present day UP with due evidence was provided by the Kannada Shashtik Brahmins who shared common ancestry with Chitpavan Brahmins In this case it is the Maithili Brahmins one time old neighbours of the Chitpavan Brahmins ancestors for long since the ancient Vedic times who have come forward to provide the missing link to their ancestral history by emphatically providing the necessary evidence and connection of their ancestral home on the banks of the Vedic Sarasvati River in the Himalayas Some of the readers might not have read this author s previous companion book Chitpavan Konkanastha Brahmins History Proto And Pre It is a very important one and a predecessor of this book It is a must read for getting the full picture of Chitpavan Origins To acquaint them with its central ideas a short synopsis from it is given at the beginning of this book with its introduction etc All the same

they should not miss upon the original book Chitpavan Konkanastha Brahmins History Proto And Pre that is still available at Pothi com in printed edition

Hindutva and Violence Vinayak Chaturvedi,2022-09-01 Examines the place of history in the political thought of Vinayak Damodar Savarkar one of the key architects of modern Hindu nationalism Hindutva and Violence explores the place of history in the political thought of Vinayak Damodar Savarkar 1883 1966 the most controversial Indian political thinker of the twentieth century and a key architect of Hindu nationalism Examining his central claim that Hindutva is not a word but a history the book argues that for Savarkar this history was not a total history a complete history or a narrative history Rather its purpose was to trace key historical events to a powerful source the font of motivation for chief actors of the past who had turned to violence in a permanent war for Hindutva as the founding principle of a Hindu nation At the center of Savarkar s writings are historical characters who not only participated in ethical warfare against invaders imperialists and conquerors in India but also became Hindus in acts of violence He argues that the discipline of history provides the only method for interpreting Hindutva The book also shows how Savarkar developed his conceptualization of history as a way into the meaning of Hindutva Savarkar wrote extensively from analyses of the nineteenth century to studies of antiquity to draw up his histories of Hindus He also turned to a wide range of works from the epic tradition to contemporary social theory and world history as his way of explicating Hindutva and history By examining Savarkar s key writings on history historical methodology and historiography Vinayak Chaturvedi provides an interpretation of the philosophical underpinnings of Hindutva Savarkar s interpretation of Hindutva he demonstrates requires above all grappling with his idea of history
