Abstract

The electrocardiogram is a representative signal containing information about the condition of the heart. The shape and size of the P-QRS-T wave, the time intervals between its various peaks, etc. may contain useful information about the nature of disease afflicting the heart. However, these subtle details cannot be directly monitored by the human observer. Besides, since bio-signals are highly subjective, the symptoms may appear at random in the time scale. Therefore, the signal parameters, extracted and analysed using computers, are highly useful in diagnostics. This paper deals with the classification of certain diseases using artificial neural network (ANN) and fuzzy equivalence relations. The heart rate variability is used as the base signal from which certain parameters are extracted and presented to the ANN for classification. The same data is also used for fuzzy equivalence classifier. The feedforward architecture ANN classifier is seen to be correct in about 85% of the test cases, and the fuzzy classifier yields correct classification in over 90% of the cases. © 2002 Pattern Recognition Society. Keywords: Heart rate; Pattern recognition; ECG; Neural network; Fuzzy equivalence; Disease classification

1. Introduction

Electrocardiography deals with the electrical activity of the heart. Monitored by placing sensors at the limb extremities of the subject, electrocardiogram (ECG) is a record of the origin and propagation of the electric potential through cardiac muscles. It is considered a representative signal of cardiac physiology, useful in diagnosing cardiac disorders.

The state of cardiac health is generally reflected in the shape of ECG waveform and heart rate. It may contain important pointers to the nature of diseases afflicting the heart. However, bio-signals being non-stationary signals, this reflection may occur at random in the time scale. (That is,

the disease symptoms may not show up all the time, but would manifest at certain irregular intervals during the day.) Therefore, for effective diagnostics, the study of ECG pattern and heart rate variability signal (instantaneous heart rate against time axis) may have to be carried out over several hours. Thus, the volume of the data being enormous, the study is tedious and time consuming. Naturally, the possibility of the analyst missing (or misreading) vital information is high. Therefore, computer-based analysis and classification of diseases can be very helpful in diagnostics.

The present paper makes use of heart rate variability (HRV) as the base signal for analysis and classification of diseases. The heart rate is evaluated by measuring the time interval between the successive R-peaks (*R-R* interval) of the ECG waveform. It is known that almost all the useful frequency components in ECG signal falls below 40 Hz [1], and therefore sampled at the rate of 200 samples/s. The heart rate, plotted against the time scale provides the HRV signal,

Classification Of Heart Rate Data Using Artificial Neural Introduction

Classification Of Heart Rate Data Using Artificial Neural Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Classification Of Heart Rate Data Using Artificial Neural Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Classification Of Heart Rate Data Using Artificial Neural : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Classification Of Heart Rate Data Using Artificial Neural : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Classification Of Heart Rate Data Using Artificial Neural Offers a diverse range of free eBooks across various genres. Classification Of Heart Rate Data Using Artificial Neural Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Classification Of Heart Rate Data Using Artificial Neural Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Classification Of Heart Rate Data Using Artificial Neural, especially related to Classification Of Heart Rate Data Using Artificial Neural, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Classification Of Heart Rate Data Using Artificial Neural, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Classification Of Heart Rate Data Using Artificial Neural books or magazines might include. Look for these in online stores or libraries. Remember that while Classification Of Heart Rate Data Using Artificial Neural, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Classification Of Heart Rate Data Using Artificial Neural eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their

websites. While this might not be the Classification Of Heart Rate Data Using Artificial Neural full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Classification Of Heart Rate Data Using Artificial Neural eBooks, including some popular titles.

FAQs About Classification Of Heart Rate Data Using Artificial Neural Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Classification Of Heart Rate Data Using Artificial Neural is one of the best book in our library for free trial. We provide copy of Classification Of Heart Rate Data Using Artificial Neural in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Classification Of Heart Rate Data Using Artificial Neural. Where to download Classification Of Heart Rate Data Using Artificial Neural online for free? Are you looking for Classification Of Heart Rate Data Using Artificial Neural PDF? This is definitely going to save you time and cash in something you should think about.
