Special Relativity

From Einstein to Strings

CAMBRIDGE

The background of the book cover is a dynamic, abstract composition of numerous thin, curved lines. These lines are rendered in a variety of colors, including bright yellow, orange, red, purple, and blue, creating a sense of motion and depth. The lines are most densely packed in the lower half of the cover and appear to curve away from the viewer, giving the impression of a vast, multi-dimensional space or a complex, interconnected network of paths.
