INTRODUCTION

How to use this RACE Planning Template

WELCOME

Thanks for downloading this Smart Insights template and congratulations on taking steps to improve your digital strategy! We hope you find it useful when creating or refining your plans to make better use of the fantastic opportunities available from digital marketing. It's a short sample of our in-depth actionable advice for marketers including 7 Steps guides, marketing templates and online training courses.

Our recent research showed¹ that shockingly, many organisations are doing digital marketing, but they don't have a strategy. The reality is that

digital channels are still relatively new and fast-changing, so many businesses haven't responded adequately and their business is at risk.

All businesses need an agile approach to improve. Our unique RACE planning framework, shown on the next page, is divided into 25 key optimisation activities explained in our member resources.

We believe that businesses need to first define a separate digital plan to quantify the case for investment in digital marketing and change your approach to managing digital marketing. Then move to a better integrated approach where it's part of your marketing strategy.

RECOMMENDATION

CREATE A SPECIFIC DIGITAL MARKETING PLAN

Create a detailed digital marketing plan defining the digital channel strategy for each major market/proposition to provide focus and direction for the future.
