

Why Invest in Index Funds?

Investing in index funds might not seem all that exciting, but that's the point. It gives you broad exposure to a market/asset that will help ensure your wealth grows over time.

Key point: Investing in index funds gives you the benefits of investment returns of the stock or other market without taking on the individual company risk and having to pay trading commissions related to individual stocks.

Investing for Beginners Jonathan Marlow, 2016-10-08. This easy to read and concise guide will teach you all you need to know about investing, cutting through much of the waffle and technical terms you may encounter in other mammoth investing books. Real investing is not about following the financial news or selecting a few companies you think have potential for huge growth; that's actually how people tend to lose money. Real investing is actually far more simple and passive. The simple fact is that given enough time and an easy yet disciplined approach to investing, anyone, even those on minimum wage, their entire life can become a millionaire. You will learn Investing Basics: What to Do Before You Begin, How to Invest, Why Index Funds Do So Well, How to Purchase Your First Index Fund, Common Mistakes to Avoid, Axioms to Follow. This book is NOT a get rich quick scheme; investing takes time. Done properly, however, investing WILL make you rich. The advice given in this book is proven to work historically and is the very same advice given by perhaps the greatest investor of our time, Warren Buffett.
