Social Media 2.0 : Powered by Artificial Intelligence (Preparing Future Media Professionals for an AI-Integrated World) Prof. P. Sasikala, Benny Mathur, 2025-11-13 Social Media 2.0 Powered by Artificial Intelligence: Preparing Future Media Professionals for an AI-Integrated World is a comprehensive guide designed for students, educators, and emerging professionals in the field of New Media Studies. In an era where social platforms are not just communication tools but intelligent ecosystems, this book explores how Artificial Intelligence is reshaping the way we create, share, consume, and interpret content online. From AI-powered content generation and recommendation systems to data analytics, automation, and ethical implications, the book covers it all in a manner that is both academically grounded and practically applicable. Divided into three core sections, the first part lays the foundation by examining social media's evolution, platform dynamics, content planning, and branding. The second part dives into the transformative role of AI, showcasing how machine intelligence is integrated into social platforms through chatbots and sentiment analysis, to virtual influencers and personalized feeds. The third part is focused on the topic of social media for public relations and how a public relations agency can leverage the power of social media. Developed with a special focus on the Indian digital landscape, this text bridges global trends with local relevance. Each chapter is enriched with case studies, key concepts, real-world examples, and reflective questions to encourage critical thinking and hands-on learning. Whether you're a student beginning your journey in digital media or a teacher seeking structured content for your classroom, this book offers a future-facing framework to navigate and lead in a media environment increasingly shaped by AI.

Public Relations and the Rise of AI Regina Luttrell, Adrienne A. Wallace, 2025-02-19 This book explores the potential of artificial intelligence (AI) to transform public relations (PR) and offers guidance on maintaining authenticity in this new era of communication. One of the main challenges PR educators, researchers, and practitioners face in the AI era is the potential for miscommunication or unintended consequences of using AI tools. This volume provides insights on how to mitigate these risks and ensure that PR strategies are aligned, offering practical guidance on maintaining trust and authenticity in PR practices. Readers will learn to leverage AI for enhanced communication strategies and real-time audience engagement while navigating the ethical and

legal implications of AI in PR Featuring contributions from leading scholars the book includes case studies and examples of AI driven PR practices showcasing innovative approaches and lessons from well known brands It offers a global perspective on AI s impact on PR with insights for practitioners and scholars worldwide This book equips public relations educators researchers and professionals with the knowledge and tools they need in the changing landscape of communication in the age of AI
