4 th International Conference on Lifelong Education and Leadership for ALL-ICLEL 2018 Prof. Dr. Osman TITREK, Gözde Sezen Gültekin, Agnieszka Zembrzuska, 2018-12-28 Copyright 2018 ICLEL Conferences All rights reserved by ICLEL Conferences Basic Management Accounting for the Hospitality Industry Michael Chibili, 2019-11-26 Basic Management Accounting for the Hospitality Industry uses a step by step approach to enable students to independently master the field This second edition contains many new themes and developments including the essence of the International Financial Reporting Standards IFRS integration of the changes caused by the evolution of the Uniform System of Accounts for the Lodging Industry USALI the extension of price elasticity of demand and addition of income and cross elasticities the addition of break even time BET as an additional method of analysing capital investments Up to date and comprehensive coverage this textbook is essential reading for hospitality management students Additional study and teaching materials can be found on www.hospitalitymanagement.noordhoff.nl Teaching IFRS Richard M.S. Wilson, Ralph W. Adler, 2013-09-13 The increasing pace of global conformance towards the adoption of International Financial Reporting Standards IFRS highlights the need for accounting students as well as accounting practitioners to be conversant with IFRS Teaching IFRS offers expert descriptions of and insights into the IFRS convergence process from a teaching and learning perspective Hence this book is both timely and likely to have considerable impact in providing guidance for those who teach financial reporting around the world The contents of the book come from authoritative sources and offer something distinctive to complement the existing textbooks which typically focus on the technical aspects of IFRS and their adoption Drawing upon the experiences of those who have sought to introduce IFRS related classroom innovations and the associated student outcomes achieved therefrom the book offers suggestions about how to design and deliver courses dealing with IFRS and catalogues extensive listings of IFRS related teaching resources to support those courses This book was originally published as a special issue of Accounting Education An international journal **Accountability, Philosophy and the Natural Environment** Glen Lehman, 2021-02-28 Using a philosophical and interdisciplinary approach this book looks at how accountability can provide solutions to our current environmental and global political problems When a social system has external elements imposed upon it or presented to it political problems are likely to emerge This book demonstrates that what is needed are connecting social elements with a natural affinity to bring people together despite their differences This book is different from others in the field It provides new insights by critiquing the extant understandings of accountability and expands the possibilities by building on Charles Taylor's philosophies Central to the argument of the book are perspectives on authenticity and expressivism which are found to provide a radical reworking of our understanding of being in the world and a starting point for rethinking the way individuals and communities ought to be dealing politically with accountability and ecological crises The argument builds to an accountability perspective that utilises work from interpretivism liberalism and postmodern theory
