## **Auto Biography Of A Yogini:**

*Autobiography of a Yogini* Kamala Easton, Kamala Easton Ph D, 2012-11-01 AUTOBIOGRAPHY OF A YOGINI is the story of the author's spiritual transformation and mystical and tempestuous 7 year relationship with one of the world's most renowned gurus Sri Sri Ravi Shankar. I wasn't raised to become a devotee or follower. I was a black single mother who was raised by a black single mother. Education had been my path to enlightenment, pulling me up out of a chaotic childhood. With a psychology degree from UC Berkeley and a Ph D in Education from UCLA, I spent 20 years in the ashram of higher education. Although I had studied God, I was completely unprepared for contacting God the way I did through this famous and powerful spiritual leader and world figure who has over twenty million followers. Intellectual pursuits became irrelevant as I was consumed by an extraordinary relationship with a man who could read my mind and make his thoughts my own. Unbelievable spiritual powers opened within me. I became able to see, hear, and connect to the Divine at will. The unveiling of these powers was a continual source of surprise to me as they expanded my consciousness of this world. But all of this transcendence occurred against a backdrop of heartache. Although he and I were living out this ancient love inside one of the largest spiritual organizations in the world, we were also just a man and a woman. *Autobiography of a Yogini* Mother Loving Kindness, 1972 **Sacred Rivers** Wanderers Journey, The, 2023-11-02 [A Yogini's Autobiography: My Divine Romance with God Vol Two](#) Gina Kim, 2010-03-01 The story about the inner workings of the Master guiding my life. Then I inwardly heard a tender loving voice say "Love everyone like you love me." My Beloved had spoken through my heart in an unexpected way, telling me to love everyone in the same way I loved Him. My heart automatically responded "Yes, beloved Babaji, because I love You so much and because everyone is your beloved child, I shall love everyone like I love you. I do love everyone." That night Babaji had spoken to my heart of pure unconditional love. I felt totally soothed and at peace after those moments of precious heart conversation with Babaji. My heart no longer ached. The ache was replaced by peace. My very private beautiful divine romance with God in the form of Babaji was flowing at a deeper level in my heart journey with Him. He had spoken to me in a very personal way, filling my heart with a beautiful divine heart message of Love. It is because I love Him so that I shall remember and continue to learn to love everyone unconditionally just for Babaji. My being was totally embraced with the message of love. *Love and Liberation* Sarah H. Jacoby, 2014-09-16. *Love and Liberation* reads the autobiographical and biographical writings of one of the few Tibetan Buddhist women to record the story of her life. Sera Khandro Dew Dorj 1892-1940 was extraordinary not only for achieving religious mastery as a Tibetan Buddhist visionary and guru to many lamas, monastics, and laity in the Golok region of eastern Tibet, but also for her candor. This book listens to Sera Khandro's conversations with deities, dakinis, bodhisattvas, lamas, and fellow religious community members and investigates the concerns and sentiments relevant to the author and to those for whom she wrote. Sarah H. Jacoby's analysis focuses on the status of the female body in Sera Khandro's texts, the virtue of celibacy versus the expediency of sexuality for religious purposes, and the difference between profane lust and sacred love between male and female Tantric partners. Her findings add new dimensions to our understanding of Tibetan Buddhist consort practice, complicating standard scriptural presentations of a male subject and a female aide. Sera Khandro depicts herself and her guru and consort Drimzer as inseparable embodiments of insight and method that together form the Vajrayana Buddhist vision of complete buddhahood. By advancing this complementary sacred partnership, Sera Khandro

carved a place for herself as a female virtuoso in the male dominated sphere of early twentieth century Tibetan religion **A**
