was instrumental in formulating and guiding this nation's principles. From the Preface: This selection from the writings of Thomas Jefferson is planned to be a comprehensive presentation of his thought. The greatest amount of space has been allotted to his letters in the belief that they are of primary importance in revealing the man and his intellect. Jefferson's two original full-length works, the Notes on Virginia and the Autobiography, are given virtually complete. Along with his best-known public papers, selections from his minor writings are also included. Together, all these serve to depict the man who more aptly than any of his countrymen might be called the American Leonardo.
