Shifted Torment [The Cursed Wolves Series, Book 2] Holly Hook, 2023-09-06 Betrayed, Confused, Terrified. After a devastating secret and the reason I'm in Tower, Montana, came to light, I don't know what to do or whom to trust. I should just pack up and leave this town of curses and wolves. Go back to New York where I belong. But I can't. Something is holding me back, and I hate it. And that something is named Tyler. You see, I can't just leave him here to lose his humanity forever. Because if I do leave, that's exactly what's going to happen. And it'll be all my fault. Tyler has done nothing but protect me since I got here, and I can't leave him to his fate. Before I go, at least I need to help him. I need to find a way to lift the curse all without falling in love with him again. And I have to do it without dying or becoming cursed myself. Easy, right? Nope. We have enemies. Powerful, hidden enemies. And to do what's right, I have to risk my life, my humanity, and my heart.

Wolf's Nightmare II G. Weldon Tucker, 2014-05-30. Dusty and Crow are still wolves, put there by their own banishment after killing a human being, even if he desperately needed killing. It is the law in the shape-shifter's world. But now, hell has come to Lincoln County, MT. Something terrible has set up home. The demon's minions are killing unmercifully, feeding on human prey, and no one human can stop them. Sheriff Osten hires a shifter witch to find Dusty and Crow and try to bring them back, for it is imperative they return. There is an all-out war in the high country. Osten needs them, serving as both wolf and man, leading the fray. But the adversary is an ancient werewolf, Master, the far end of the spectrum from shape-shifters, and both Dusty and Crow find their lives on the line, time and time again, slowly closing in to end the menace. But they need to survive on both sides of the pale, and the Master cannot allow either. Come along for the rough ride as our two heroes take on the nearly immortal Master.
