

US B1/B2 Visa Interview

The Visa Officer's Point of View

1

The visa officer knows nothing about your application apart from what you provided in the DS-160 form. Also, they only have the 30 seconds it takes you to walk to the counter to scan through your form.

2

The visa officer will ask you questions related to your information in the DS-160 form. This mostly includes your duration of stay, financial situation, and your intent to return home.

3

Visa officers often interview over 100 people a day, so they aim to ask as few questions as possible. Providing clear, concise answers helps the officer assess your application quickly and improves your chances for a smooth interview.

4

Know that the visa officer may already have some answers before you respond to questions. This can include whether you have a criminal record or if you've been denied a visa before. Always provide honest answers.

5

Body language speaks volumes. Fidgeting, avoiding eye contact, or hesitating can make you appear uncertain or dishonest. Stay calm, maintain eye contact, and answer confidently.
