There is No Wall Allie Bailey,2024-02-01 There Is No Wall is ultrarunner Allie Bailey s brutally honest and sometimes shocking account of alcoholism depression and severe mental breakdowns which almost cost her her life Told with disarming vulnerability heartbreaking depth of feeling and dark humour this isn t a story about how running saved her she was already running and at the height of her struggles sometimes even winning 100 mile plus races But somewhere between the darkest excesses of the music industry and the simple beauty of the ultrarunning scene Allie found space to listen learn and put into practice techniques that would go on to save her life and change it for the better There Is No Wall is a story about how doing something you love can lead you to achieve things you never thought possible Running won t save you but it might buy you the time to save yourself *Daily Mirror* Holborn Circus,1975-07-23

Eat Yourself Happy Michael Dr Isaac,Michael T. Isaac,Maria B. Isaac,2004-04-30 Eat Happy - How to Ease Depression and Improve Your Mood Through Diet J C Roberts,2019-02-04 I m J C Roberts author of Eat Happy How to Ease Depression and Improve Your Mood Through Diet For years I had been fighting depression and angst It seemed like there was no end in sight for the self doubting crippling feelings tainting every stage of my life the birth of my first child advances in my career and other important milestones I should have been celebrating But the reality was that these feelings made me feel that I was watching my life go by without enjoying any of it It began to impact my health stress levels built up to breaking point I developed hypertension experienced panic attacks for the first time and even when I was in a calm environment just found it impossible to feel happy I had

everything anyone could ask for a loving supportive family enough financial security to not have to worry about missing a payment and apart from my mental and emotional state I was physically healthy I knew I should feel grateful for everything in my life but it was like whatever it was in my body that was responsible for making me feel content was completely depleted and never to be seen again I was desperate to know what I could do RIGHT NOW to just feel a bit happier again So I got to work learning everything I could about how to feel content again Here s what turned things around I started to realise the importance of my diet in how I was feeling During these years I would use food to feel rewarded the kind of food that s too salty too fatty too sweet and ever so tantalising Almost always I would end up feeling worse after eating as not only did it make me feel lethargic and queasy I was disappointed in myself for doing it over and over again after vowing each time that I d break the habit My research uncovered how powerful a diet can be in replenishing your happiness meter After just trying to stick to a anti depression meal plan for 1 week I noticed I laughed more reacted calmly to situations that would otherwise have had my face in my hands weighed less and finally felt like there was light at the end of this dark long tunnel It felt like a weight had been lifted a light had turned on a corner turned And the answer was in front of me and easily achievable the whole time I wrote this book to share that same meal plan with you If you re someone who experience the same feelings and want to change then in this book you will find the very same weekly plan complete with recipes that is not only delicious but allowed feelings of happiness contentment and calm to come back into my life Also included are in depth studies on nutrition eating habits and best practices to maximise the anti depression effect these practices will have on your mental health I do hope you enjoy Eat Happy How to Ease Depression and Improve Your Mood Through Diet and that it can help you in your quest to live a better happier life Be blessed J C Roberts
