Practical Human Resource Information Systems SATISH K. BAGDI, 2012-05-09 Practical Guide to Human Resource Information Systems HRIS is a comprehensive presentation on global HRIS implementations and the associated challenges faced in such global projects. It begins with the basic HR and IT concepts and guides the readers through the complete life cycle of HRIS applications spanning from planning to execution. Both HR and IT play an equal role in the development of HRIS applications. This book will help students from both HR and IT streams in assimilating the intricacies of implementation of HRIS projects. HR is one of the most popular ERP product implementation topics in today's business world. Its implementation needs a practical discussion using examples from real world. The examples, the case study and discussions in the book follow an international approach rather than discussing only a single country HRIS implementations. A real life case study that flows through various chapters of the book brings out challenges in the implementation of HR specific projects. In today's global economy HR is changing fast and dives into areas such as strategy outsourcing, mergers and acquisitions. M A This book covers all these areas and other topics that are relevant to today's HR world providing more value to the readers. It provides illustrations to assist readers in visualizing the topics discussed and in developing a sound understanding of the integration and data aspects of HRIS systems. This book will be useful as a text for a course in HRIS wherever prescribed for the MBA HR and MBA IT students. The book encourages self directed study and thought process based on references provided at the end of each chapter and hence will also be useful to consultants, HR professionals and IT professionals working with HR departments.

The Game Changers Kiran Kumar, Suman a compassionate teenage beauty and a dream girl of every boy is in steady pursuit of her life's goals when she runs into a young beggar girl and the purpose of her life changes. During her eventful journey she crosses paths with two headstrong and extremely patriotic youth. One is an ardent supporter of a separate state movement and is hell bent upon achieving the seemingly impossible. The other is a giant volcano full of aggressive enthusiasm and revolutionary ideas resolved to transform the whole country. Take it to a different level. They set out on different paths. Sparks are bound to fly when great passion meets surreal beauty. Love blossoms. But are their personal feelings greater than their ultimate goals? Are their goals inter related? Do these fiery youngsters achieve what they dream of? *The Game Changers* youth on fire is a story about three common yet not so common youngsters of India who whole

heartedly dedicate themselves to their causes in life It is a narration full of youthful energy fun great transition and an unpredictable climax Last but not the least Kiran Kumar the writer has expressed through this book his strong belief that youth has an amazing energy in them a fire which when channelized constructively can yield incredibly positive results
