What are organizational goals?

Organizational goals are specific, measurable, and time-bound statements that define the organization's purpose and direction. They provide a clear focus for the organization's efforts and help to align the activities of all employees. Organizational goals can be categorized into short-term goals (operational goals) and long-term goals (strategic goals). Short-term goals are typically achieved within a year, while long-term goals are achieved over a period of several years. Organizational goals should be challenging but achievable, and they should be communicated to all employees.
