Anthony Horowitz Walker:

Stormbreaker Anthony Horowitz, 2006 When his guardian dies in suspicious circumstances Alex Rider goes from schoolboy to superspy within days as his world is turned upside down Forcibly recruited into MI6 Alex must discover the truth about the Stormbreaker computer [Anthony Horowitz](#) Dennis Abrams, 2013-11 Anthony Horowitz grew up in a life of wealth and privilege that most people can only dream of As the creator of the popular Alex Rider series Horowitz has become one of the most popular children's authors in the world *Twenty-First-Century Children's Gothic* Chloe Germaine Buckley, 2018-01-09 Brings Ben Jonson to the twenty first century by reading Volpone through psychoanalysis poststructuralism and Marxism **The switch**, 2015 [New Directions in Children's Gothic](#) Anna Jackson, 2017-03-27 Children's literature today is dominated by the gothic mode and it is in children's gothic fictions that we find the implications of cultural change most radically questioned and explored This collection of essays looks at what is happening in the children's Gothic now when traditional monsters have become the heroes when new monsters have come into play when globalisation brings Harry Potter into China and yaoguai into the children's Gothic and when childhood itself and children's literature as a genre can no longer be thought of as an uncontested space apart from the debates and power struggles of an adult domain We look in detail at series such as *The Mortal Instruments* *Twilight* *Chaos Walking* *The Power of Five* *Skulduggery Pleasant* and *Cirque du Freak* at novels about witches and novels about changelings at the Gothic in China Japan and Oceania and at authors including Celia Rees Frances Hardinge Alan Garner and Laini Taylor amongst many others At a time when the energies and anxieties of children's novels can barely be contained anymore within the genre of children's literature spilling over into YA and adult literature we need to pay attention Weird things are happening and they matter *The School Librarian*, 2005 **The Palgrave Handbook of Contemporary Gothic** Clive Bloom, 2020-07-10 Simply put there is absolutely nothing on the market with the range of ambition of this strikingly eclectic collection of essays Not only is it impossible to imagine a more comprehensive view of the subject most readers even specialists in the subject will find that there are elements of the Gothic genre here of which they were previously unaware Barry Forshaw Author of *British Gothic Cinema* and *Sex and Film* *The Palgrave Handbook of Contemporary Gothic* is the most comprehensive compendium of analytic essays on the modern Gothic now available covering the vast and highly significant period from 1918 to 2019 The Gothic sensibility over 200 years old embraces its dark past whilst anticipating the future From demons and monsters to post apocalyptic fears and ecological fantasies Gothic is thriving as never before in the arts and in popular culture This volume is made up of 62 comprehensive chapters with notes and extended bibliographies contributed by scholars from around the world The chapters are written not only for those engaged in academic research but also to be accessible to students and dedicated followers of the genre Each chapter is packed with analysis of the Gothic in both theory and practice as the genre has mutated and spread over the last hundred years Starting in 1918 with the impact of film on the genre's development and

moving through its many and varied international incarnations each chapter chronicles the history of the gothic milieu from the movies to gaming platforms and internet memes television and theatre The volume also looks at how Gothic intersects with fashion music and popular culture a multi layered multi ethnic even a trans gendered experience as we move into the twenty first century
