*Touching the Void* Joe Simpson, 2012-12-12 The 25th Anniversary ebook now with more than 50 images *Touching the Void* is the tale of two mountaineer's harrowing ordeal in the Peruvian Andes In the summer of 1985 two young headstrong mountaineers set off to conquer an unclimbed route They had triumphantly reached the summit when a horrific accident mid descent forced one friend to leave another for dead Ambition morality fear and camaraderie are explored in this electronic edition of the mountaineering classic with never before seen colour photographs taken during the trip itself **Touching the Void** Joe Simpson, 2019-06-06 VINTAGE VOYAGES A world of journeys from the tallest mountains to the depths of the mind *Touching the Void* is the heart stopping account of Joe Simpson's terrifying adventure in the Peruvian Andes He and his climbing partner Simon reached the summit of the remote Siula Grande in June 1995 A few days later Simon staggered into Base Camp exhausted and frost bitten with news that that Joe was dead What happened to Joe and how the pair dealt with the psychological traumas that resulted when Simon was forced into the appalling decision to cut the rope makes not only an epic of survival but a compelling testament of friendship [Summary of Joe Simpson's Touching the Void Everest](#) Media, 2022-08-16T22:59:00Z Please note This is a companion version not the original book **Sample Book Insights** 1 I was in the middle of the Cordillera Huayhuash in the Peruvian Andes with Simon We were surrounded by spectacular ice mountains and the only indication of this from within our tent was the regular roaring of avalanches falling off Cerro Sarapo 2 I was not the full ticket but I was over the worst It was freezing last night I had met Richard a travel companion in Lima halfway through his six month exploration of South America His wire rimmed glasses neat practical clothing and bird like mannerisms hid a dry humor and a wild repertoire of beachcombing reminiscences 3 I was worried about the weather but Simon was confident that it would not be as bad as it seemed He suggested that we should just climb through a snowfall and if we did that we would risk mistaking a serious storm for the normal pattern 4 I had worried unduly about whether there would be a significant difference between us I had imagined the frustrations and tensions that would arise from such a situation However I was pleasantly surprised to find that I was not in any hurry I knew we could both reach the summit easily if a fine viewing point presented itself [This Game of Ghosts](#) Joe Simpson, 1995 When mountain climber Simon Yates cut the rope and sent his friend and climbing partner Joe Simpson plummeting to an ordeal few mountaineers can have contemplated the outcome was totally unpredictable That Simpson survived his experience on Peru's Siula Grande is a revelation of the power of the human spirit to overcome fear pain and deprivation of almost unimaginable intensity He did not expect to live it all over again more than once The first test was to write his award winning account of the ordeal in *Touching the Void* That meant dragging the terrifying experience out of the deeper shadows of his memory Next another fall in the Himalaya crippled and almost broke him He felt forced to test his nerve again and struggled on crutches to 20 000 feet on Pumori near Everest On his descent he heard that a young first time climber had been killed by a chance rockfall What

sense could he make now of this game of ghosts that had claimed the lives of so many of his friends over the years he had been climbing while he had survived so many events that should have meant certain death In an attempt to find catharsis for his confused emotions he wrote this extraordinary memoir revealing his early life and his fifteen years of climbing on three continents before and after the life changing experience of Siula Grande His gripping story recounts with total honesty experiences that range from hilarious to poignant to nearly unbelievable Here are the signposts that have directed him since childhood to measure fear and embrace the unknown He wonders about the luck or the choices along the way that have caused the loss of so many climbing friends Ghosts everywhere I look all I see are ghosts or perhaps I am the ghost a spectre of my past standing in the rubble of my present anxiously awaiting the future This is a compelling work of adventure and introspection that will hold both mountaineers and armchair travelers spellbound
