Constrained Markov Decision Processes Stochastic Modeling Series:

Constrained Markov Decision Processes Eitan Altman, 2021-12-24 This book provides a unified approach for the study of constrained Markov decision processes with a finite state space and unbounded costs Unlike the single controller case considered in many other books the author considers a single controller with several objectives such as minimizing delays and loss probabilities and maximization of throughputs It is desirable to design a controller that minimizes one cost objective subject to inequality constraints on other cost objectives This framework describes dynamic decision problems arising frequently in many engineering fields A thorough overview of these applications is presented in the introduction The book is then divided into three sections that build upon each other

Generic and Energy-Efficient Context-Aware Mobile Sensing Ozgur Yurur, Chi Harold Liu, 2015-02-02 Elaborating on the concept of context awareness this book presents up to date research and novel framework designs for context aware mobile sensing Generic and Energy Efficient Context Aware Mobile Sensing proposes novel context inferring algorithms and generic framework designs that can help readers enhance existing tradeoffs in mobile sensing
