Young Consumer Behaviour Ayantunji Gbadamosi, 2017-11-22 Although one perspective depicts young consumers as vulnerable and passive in the marketplace system our knowledge of this consumer group will be inadequate if limited to this contention Their roles and relevance in family consumption activities are becoming increasingly profound Available evidence shows that they cannot be ignored in the marketplace dynamics as they consume goods and services in their households and are involved in various other active roles in their household consumption including making decisions where applicable Hence the landscape of young consumer behaviour is changing **Young Consumer Behaviour A Research Companion** focusses on exploring the behaviour of young consumers as individuals and societal members The chapters address different aspects of consumption activities of children as individuals like motivation involvement perception learning attitude the self and personality Similarly chapters on consumer behaviour in social settings contextualised to young consumers including culture sub culture family and groups are incorporated into the book This book fills a gap in the literature by addressing the dynamics of consumption patterns of this consumer group in relation to various marketing stimuli and different stakeholders It combines eclectic perspectives on the topic and specifically bridges the gap between historical perspectives and contemporary issues Building on the extant literature in the field of marketing and consumer behaviour this book is a compendium of research materials and constitutes an essential reference source on young consumer behaviour issues with both academic and managerial implications

The Consumer Benchmarks in the Unfair Commercial Practices Directive Bram B. Duivenvoorde, 2015-05-11 This book investigates the regime of consumer benchmarks in the Unfair Commercial Practices Directive and explores to what extent this regime meets each of the goals of the Directive In particular it assesses whether the consumer benchmarks are suitable in terms of achieving the three goals of the Directive achieving a high level of consumer protection increasing the smooth functioning of the internal market and improving competition in the market as such In addition to providing a thorough analysis of the consumer benchmarks and their relationship to the goals of the Directive at a more practical level the book provides insight into the working and consequences of the benchmarks that can be used in the evaluation of the Unfair Commercial Practices Directive and its application by the CJEU This assessment is important because the Directive while promising to regulate unfair commercial practices in a way that achieves the Directive's goals has removed the possibility for Member States to regulate unfair
