He And I Gabrielle Bossis:

He and I Gabrielle Bossis,2019-02-05 In this timeless spiritual classic readers share in the profound and touching experience of Gabrielle Bossis a French nurse and playwright as she hears the inner voice of Jesus in the core of her being Recorded in her diary from 1936 to 1950 their tender exchanges capture Jesus s enduring presence in our daily lives his insistence on serving others with kindness and his encompassing love for humanity and show that ordinary men women and children can experience an intimacy with Christ

Trust in the Future Bastiaan Baan,2024-10-22 This inspiring book by esteemed thinker Bastiaan Baan explores how we can cope with an uncertain future In this thought provoking book Baan explores the many ways in which humanity has tried to predict the future through the ages from old forms of clairvoyance to more modern methods based on technical expertise He looks at ancient mythologies the visionary practices of prophets and shamans and the sublime if often terrifying images found in the Book of Revelation Drawing on the work of Rudolf Steiner he attempts to interpret their imaginative language and identify the impulses at work in present day humanity Baan goes on to argue that while predicting the future may be impossible how we view events can be just as important if not more so than the events themselves He suggests that adopting a more positive and open attitude can be a necessary first step in taking action Trust in the Future will speak to all those who ask themselves What can I do to build a better future

KINGDOMS OF DESIRE George Zamalea,2025-10-17 When Gysbert van Laan was five he lost her mother in a mysterious way and when he was seven his only custodian Laura Charlesbourg a landowner and with the promises to see him again left to England as an unwanted married woman and when he was eight he was sold him as a slave Five months after the sale with the help of a Dutch African father an elite set out to rescue him from a brutal Virginian plantation owner and the African land made him home in time to understand who he is and a history of exploration

and self esteem has begun It s the year 1806 van Laan s father is among the wealthy elite who can afford to give to his only biological son a sort of paramount superiority to meet in person George III the King of Great Britain and Ireland a paralleled audience by confirming himself as equal at birth So this new Gysbert van Laan has the same power as equal to the title of Magnus Dux The same privilege to ride side by side with Napoleon Bonaparte of France and to sit at the table of alliances That same perfect stage makes him as charm as devious to find who had plotted the death of his mother the power hungry and pain behind Laura s destiny and what happens really to the land of Charlesbourg before and after her marriage with ambitious British born Martin Longfellow and most importantly the fraudulent manipulation of his father Leading a selective group around the world who will die for him and who will do everything he asks them to do Magnus Dux de Laan in mind uploading plans and punishes even has all the same memories as a military soldier like his grandfather has no mercy as when it comes to justice He also might have brought down his father s brother the most hater in the list Or at least that s what the gold digging controller and the artful protestors want everyone to think that a young man like van Laan is an unprepared unpredictable radical who won t be capable of discovering the truth Gysbert van Laan is used to hearing all that though He s used to standing up for his mind too and he s determined to do it now even if proving Laura s innocence means taking on those protestors and anyone else who has attacked his family But when his own life is threatened not by protestors but by the very Mother s shadow who created his psychotic way of quest Gysbert van Laan starts questioning everything he thought he knew about the true nature of his existence About himself About his father And the answers he finds reveal a more sinister purpose for his mother s and father s death and her own destiny than he ever could have imagined With Love George Zamalea California USA
