Enacting a Pedagogy of Kindness Airdre Grant, Sharon Pittaway, 2024-09-03 Drawing from the lived experience of educators this book explores the concept of a pedagogy of kindness through practical applications and strategies for teaching in higher education Conversational in tone narrative based and rich with practical stories ideas and strategies this book provides guidance to help educators shape their teaching It covers all aspects of teaching in higher education including curriculum design delivery marking and feedback Each chapter describes a specific perspective on practical applications of kindness including authentic strategies used to increase positivity and connection in teaching and learning Through a series of case studies it provides relatable examples that educators can apply to their practices as they navigate a dynamic and rewarding teaching environment This book will help educators who are keen to bring the joy back to their teaching and who want to connect with their students and see learning come alive again in higher education [The Conscious Closet](#) Barrett Williams, ChatGPT, 2025-07-18 Unlock the transformative power of fashion with *The Conscious Closet* your definitive guide to building an ethical and sustainable wardrobe This compelling eBook will lead you through the intricate world of conscious fashion offering insightful strategies that elevate your style while nurturing the planet Begin your journey with a deep dive into the fundamental principles of sustainable and ethical fashion Discover the tangible benefits of a conscious wardrobe as myths are debunked and realities explored Learn to assess your existing collection and redefine your needs through thoughtful wardrobe audits identifying those precious eco friendly gems already in your closet In *The Conscious Closet* materials matter Delve into the energizing exploration of eco friendly fabrics from natural fibers to innovative recycled materials and learn about the implications of synthetics on our world With a new understanding of materials research ethical brands that are leading the charge in sustainable style You ll gain the confidence to spot greenwashing and make informed decisions that reflect your values Transform your clothing choices with the creation of an ethical capsule wardrobe selecting timeless foundation pieces versatile year round items and statement pieces that pop Shopping becomes purposeful as you develop a sustainable strategy and unveil the treasures hidden in secondhand stores Caring for your wardrobe becomes an act of love with eco friendly practices in laundry and repairs *The Conscious Closet* also offers a trove of creative upcycling projects guiding you to reinvent old favorites into new chic garments The eBook extends into accessories defining conscious choices in footwear and jewelry while navigating fashion trends responsibly with a vision toward the future of sustainable fashion More than a guide this is an invitation to advocate and educate Through community engagement and social media activism join a movement that embraces fashion as a force for good Step into a stylish future where your wardrobe doesn't just change your look it changes the world *Less* Rachel Aust, 2018-06-12 Simplify life and amplify living with influencer Rachel Aust's visual guide to mastering the minimalist lifestyle Declutter and reorganize Living with less contributes to a greater sense of fulfillment contentment and a more meaningful life The minimalist lifestyle focusing on scaling back your

possessions and simplifying your life to just the essentials helps you to achieve peace and purpose Indulgences and excess often lead to discontentment and depression but adopt minimal living and you ll find that less is more More time because you don t waste it caring for and organizing stuff More space because you don t fill it with objects of marginal value More money because you don t spend it on unnecessary things More clarity because your mind isn t bogged down by the clutter around you More joy because your energy is spent on experiences and connections Using decision trees flow charts icons and other graphics Less shows how minimalism can be applied to any area of life including home wardrobe decor cooking cleaning finances and time Rachel Aust shows you that minimalism can be adapted to suit your own goals to help you achieve the joy of less

Soviet Consumer Culture in the Brezhnev Era Natalya Chernyshova,2013-06-26 After decades of turmoil and trauma the Brezhnev era brought stability and an unprecedented rise in living standards to the Soviet Union enabling ordinary people to enjoy modern consumer goods on an entirely new scale This book analyses the politics and economics of the state s efforts to improve living standards and shows how mass consumption was often used as an instrument of legitimacy ideology and modernization However the resulting consumer revolution brought its own problems for the socialist regime Rising well being and the resulting ethos of consumption altered citizens relationship with the state and had profound consequences for the communist project The book uses a wealth of sources to explore the challenge that consumer modernity was posing to Soviet mature socialism between the mid 1960s and the early 1980s It combines analysis of economic policy and public debates on consumerism with the stories of ordinary people and their attitudes to fashion Western goods and the home The book contests the notion that Soviet consumers were merely passive abused eternally queuing victims and that the Brezhnev era was a period of stagnation arguing instead that personal consumption provided the incentive and the space for individuals to connect and interact with society and the regime even before perestroika This book offers a lively account of Soviet society and everyday life during a period which is rapidly becoming a new frontier of historical research

Empresses of Seventh Avenue Nancy MacDonell,2024-08-27 In the tradition of *The Barbizon* and *The Girls of Atomic City* fashion historian and journalist Nancy MacDonell chronicles the untold story of how the Nazi invasion of France gave rise to the American fashion industry Calvin Klein Ralph Lauren Donna Karan Halston Marc Jacobs Tom Ford Michael Kors Tory Burch Today American designers are some of the biggest names in fashion yet before World War II they almost always worked anonymously The industry then centered on Seventh Avenue in Manhattan had always looked overseas for inspiration a polite phrase for what was often blatant copying because style as all the world knew came from Paris But when the Nazis invaded France in 1940 the capital of fashion was cut off from the rest of the world The story of the chaos and tragedy that followed has been told many times but how it directly affected American fashion is largely unknown Defying the naysayers New York based designers retailers editors and photographers met the moment turning out clothes that were perfectly suited to the American way of life sophisticated modern comfortable and affordable By the end of the war the American Look had

been firmly established as a fresh easy elegance that combined function with style But none of it would have happened without the influence and ingenuity of a small group of women who have largely been lost to history Empresses of Seventh Avenue will tell the story of how these extraordinary women put American fashion on the world stage and created the template for modern style and how the nearly 500 billion American fashion industry the largest in the world could not have accrued its power and wealth without their farsightedness and determination *Schirmer Encyclopedia of Film* Barry Keith Grant,2007 This reference source covers all aspects of the cinema including film history production national cinemas genre theory and criticism and cultural contexts *Fashion Entrepreneur* Sandra Burke,2008 With your head buzzing with innovative and creative ideas welcome to the Fashion Entrepreneurs world of glamour style and wealth This book outlines the traits and techniques fashion designers use to set up small businesses The topics include creativity and innovation writing business plans raising finance sales and marketing and the small business management skills needed to run a creative company on a day to day basis **The American Look** Rebecca Arnold,2009 Drawing on a wonderful array of sources from fashion magazines to department store records this book is the rich and absorbing narrative and analysis of how New York sportswear evolved to become the definitive American style and how a modern fashion aesthetic was born
