Strategies for E-Commerce Data Security: Cloud, Blockchain, AI, and Machine Learning Goel, Pawan Kumar, 2024-08-22
In the landscape of e-commerce data security has become a concern as businesses navigate the complexities of sensitive customer information protection and cyber threat mitigation. Strategies involving cloud computing, blockchain technology, artificial intelligence, and machine learning offer solutions to strengthen data security and ensure transactional integrity. Implementing these technologies requires a balance of innovation and efficient security protocols. The development and adoption of security strategies is necessary to positively integrate cutting-edge technologies for effective security in online business. *Strategies for E-Commerce Data Security: Cloud, Blockchain, AI, and Machine Learning* addresses the need for advanced security measures while examining the current state of e-commerce data security. It explores strategies such as cloud computing, blockchain, artificial intelligence, and machine learning. This book covers topics such as cybersecurity, cloud technology, and forensics and is a useful resource for computer engineers, business owners, security professionals, government officials, academicians, scientists, and researchers.
