(So lonely)
I'm Mr. Lonely

Race, Gender, and Citizenship in the African Diaspora Manoucheka Celeste, 2016-07-01 Winner of the National Communication Association's 2018 Diamond Anniversary Book Award With the exception of slave narratives there are few stories of black international migration in U S news and popular culture This book is interested in stratified immigrant experiences diverse black experiences and the intersection of black and immigrant identities Citizenship as it is commonly understood today in the public sphere is a legal issue yet scholars have done much to move beyond this popular view and situate citizenship in the context of economic social and political positioning The book shows that citizenship in all of its forms is often rhetorically representationally and legally negated by blackness and considers the ways that blackness and representations of blackness impact one's ability to travel across national and social borders and become a citizen This book is a story of citizenship and the ways that race gender and class shape national belonging with Haiti Cuba and the United States as the primary sites of examination

Defacing the Music Reggie Legend, 2017-08-10 If you're a Christian who loves Hip Hop then this book is for you The original intent of music was to bring glory and honor to

the name of God as the Creator of all things Yet like all men born into this earth music has been corrupted by the very thing that mankind was created to subdue sin When Nas rapped that Hip Hop is dead it was personal and it hurt Yet Hip Hop died long before Nas eulogized it It died the moment its words were birthed into the world without God at its center Adding insult to injury Hip Hop s memorial gets defaced every time lyrics and beats are created without the intent to praise God produced by artists who are sold out for their own kingdom name and fame instead of the LORD s But this book isn t meant to be doom and gloom there s Good News Like mankind Hip Hop needs to be reformed Take a look at the image below We ve all played musical chairs Every time the music breaks a chair is removed from the circle displacing one person as another takes the last coveted spot In this image God the Chairman of Music has lost His seat in what Psalm 22:3 calls the praises of Israel a place He was meant to inhabit There s treble brewing in music when God gets removed Even so this book is not about removing godless Hip Hop music altogether it s about the hope of Hip Hop s restoration At the end of the day it s all about God being the foundation of music the bass if you will no trouble
