Alex Ferguson My Autobiography:

ALEX FERGUSON: My Autobiography Alex Ferguson, 2013-10-24 The Million Copy Bestseller Sir Alex Ferguson's reflects on his remarkable managerial career where he embraced unprecedented European success for Aberdeen and 26 triumphant seasons with Manchester United. What readers are saying about Alex Ferguson's My Autobiography: The greatest manager of a generation. No matter the team you support this is a must read. Incredible. I couldn't put it down. _____ For over two decades Sir Alex Ferguson dominated the Premier League overseeing a sustained and unparalleled period of success with Manchester United. He was a visionary able to move with the times and build title winning teams both on and off the pitch. He was a man manager of phenomenal skill and increasingly he had to deal with global stars. His relationship with Cristiano Ronaldo for instance was excellent and David Beckham has described Sir Alex as a father figure. In his bestselling autobiography Sir Alex reflects on the highlights of his extraordinary career and reveals his remarkable story from his very early days in the tough shipyard areas of Govan to winning the Champions League in Moscow in 2008. Revised and updated this edition offers reflections on events at Manchester United since his retirement and offers fresh insights and details on his final years as United's manager. _____ Fascinating Evening Standard. His book is really a piece of oral history and his life is a conduit to a time when a working class man of talent could not by the magical alchemy of elite education or the stardust of celebrity but by a lifetime of hard work and hard thinking rise to the very top and flaws aside remain true to the best of the world he came from. Guardian.

Alex Ferguson Alex Ferguson, 2013-11-26 Sir Alex announced his retirement as manager of Manchester United after 27 years in the role. He has gone out in a blaze of glory with United winning the Premier League for the 13th time and he is widely considered to be the greatest manager in the history of British football. Over the last quarter of a century there have been seismic changes at Manchester United. The only constant element has been the quality of the manager's league winning squad and United's run of success which included winning the Champions League for a second time in 2008. Sir Alex created a purposeful but welcoming and much envied culture at the club which has lasted the test of time. Sir Alex saw Manchester United change from a conventional football club to what is now a major business enterprise and he never failed to move with the times. It was directly due to his vision, energy and ability that he was able to build teams both on and off the pitch. He was a man manager of phenomenal skill and increasingly he had to deal with global stars. His relationship with Cristiano Ronaldo for instance was excellent and David Beckham has described Sir Alex as a father figure. Over the past four years Sir Alex has been reflecting on and jotting down the highlights of his extraordinary career and in his new book he will reveal his amazing story as it unfolded from his very early days in the tough shipyard areas of Govan.
