HOMAN INHOMANITY Edward Makhene,2011-06-15 HOMAN INHOMANITY is a perspective on twin world a possible world in our universe and the way human inhumanity might have presented in our otherwise humane Christian world Notable sections of the inhabitants of twin world are trapped in a miasma of vulgarity and self aggrandizement that has

prompted them to divide their human population into superior privileged human beings and inferior deprived sub human beings solely on the irrational criterion of the color of their skins They have disguised their flagitious and contemptible herrenvolk agenda in ostensibly benevolent efforts to Krustanize civilize and democratize their arbitrary inferiors by discriminating against them oppressing dehumanizing exploiting and systematically decimating them while expecting them to meekly turn the other cheek like true twin world Krustans Christians But now the time has finally come for the sub humans of twin world to decisively turn the tide jettison their burden and determine their own destiny **Humanities**, 1980

Greatest Blacks Ever Ambassador Elliston Rahming, Briana Louise Cacuci, 2017-06-16 From an article entitled History's Black Hole from the January 10 2016 global edition of the New York Daily News Arthur Browne opines Across every field of endeavor from the ministry to medicine and from education to entrepreneurship book merchants balk at memorializing black experience and accomplishments Essentially this book is a celebration of black accomplishments over centuries and across continents and seeks to fill a portion of that black hole Of the roughly 7 billion people who inhabit this planet some 1.5 billion are classified as white and blacks account for 1.1 billion The remaining over 4 billion are somewhere in the middle Yet throughout the years a paucity of written materials have recorded the positive influences and myriad contributions that the great number of black citizens have made toward global peace progress prosperity and pleasure **Revelation** A. C. Barnes, 2017-01-27 This book will challenge you and awaken you to understand how the events of the past shaped our present day You will learn a concise history with factual events of the descendants of Noah's three sons Ham Sham and Japheth You will gain a deeper understanding and connection to your history and its link to world history Through this knowledge you will acquire wisdom that can help you understand and gain tolerance towards other diverse cultures Through gaining tolerance we can bring a willingness to work together When we understand our past and are willing to work together we can change our future *After Charleston and Ferguson* Micheal J. Darby, 2016-09-21 Despite the great strides made for social justice during the civil rights movement in the 1960s some of the most jarring national events of the early twenty first century have been symptomatic of a deep seated racial strife in America The killing of nine African American church members in Charleston South Carolina and the shooting of Michael Brown in Ferguson Missouri and the killing of unarmed black males in Chicago and other cities along with the slaying of law enforcement officers in Dallas and Baton Rouge seem to suggest that major institutions such as the family the church the media the criminal justice system and the public schools need to constantly address the problem of racism until there are positive ongoing changes After Charleston and Ferguson Where Do We Go from Here Presents over twenty reasons why racial strife exists along with a host of strategies to overcome racial and cultural challenges in a post Charleston and Ferguson era A detailed civil rights and a black history timeline is discussed as information for those who desire to learn about America's racial and cultural past The author also makes a passionate appeal for an Annual Brotherhood and Race Conciliation holiday where workers are given a day off to honor the
