A Letter From The Pastor

BY ANDREW GILBEY

My dearest brothers and sisters in Christ, According to Wikipedia, a newsletter is a regularly distributed publication that is generally about one main topic of interest to its subscribers. Newspapers and leaflets are types of newsletters. For example, newsletters are distributed at schools to inform parents about things that happen in that school. Newsletters are published by clubs, churches, societies, associations, and businesses—especially companies—to provide information of interest to members, customers, or employees.

Google's definition of a newsletter is, "a bulletin issued periodically to the members of a society, business, or organisation." A newsletter may be considered "grey literature". Newsletters delivered electronically via email (e-newsletters) have gained rapid acceptance for the same reasons email in general has gained popularity over printed correspondence.

The Princes in the Tower Philippa Langley, 2025-12-09 A 540 year old mystery has been solved Compelling in breadth and detail this book asks its readers to re examine one of our greatest historical enigmas Revised and updated edition In the summer of 1483 two brothers were seen playing in the grounds of the Tower of London where they d been lodged by the King s Council their uncle the future Richard III its chief member From there the boys seem to vanish from the historical record and so one of the greatest and most intriguing mysteries of British history was born Over the centuries historians have debated tirelessly about the fate of Edward V and Richard Duke of York did they die in the Tower Did they escape Were they murdered After astonishing success in locating and laying to rest Richard III Philippa Langley turns her forensic focus onto this enduring case teaming up with criminal investigative experts historians archivists and researchers from around the world in her groundbreaking The Missing Princes Project Following ten years of extensive research investigation and formidable dedication this landmark study has finally reached completion with stunning conclusions In *The Princes in the Tower How History s Greatest Case Was Solved* join Langley as she records the painstaking investigative work undertaken and lays out the evidence to reveal the remarkable untold story Here she is able finally to address any injustice and solve the mystery surrounding the Princes in the Tower once and for all *Shakespeare's Apprenticeship* Ramon Jiménez, 2018-09-24 The contents of the Shakespeare canon have come into question in recent years as scholars add plays or declare others only partially his work Now new literary and historical evidence demonstrates that five heretofore anonymous plays published or performed during his lifetime are actually his first versions of later canonical works Three histories *The Famous Victories of Henry the Fifth* *The True Tragedy of Richard the Third* and *The Troublesome Reign of John* a comedy *The Taming of a Shrew* and a romance *King Leir* are products of Shakespeare s juvenile years Later in his career he transformed them into the plays that bear nearly identical titles Each is strikingly similar to its canonical counterpart in terms of structure plot and cast though the texts were entirely rewritten Virtually all scholars critics and editors of Shakespeare have overlooked or disputed the idea that he had anything to do with them This addition of five plays to the Shakespeare canon introduces a new facet to the authorship debate and supplies further evidence that the real Shakespeare was Edward de Vere seventeenth Earl of Oxford
