Civil Military Relations In Latin America New Analytical Perspectives:

Civil-Military Relations in Latin America David Pion-Berlin, 2003-01-14 The armed forces may no longer rule nations throughout Latin America but they continue to influence democratic governments across the region In nine original thought provoking essays this book offers fresh theoretical insights into the dilemmas facing Latin American politicians as they struggle to gain full control over their military institutions Latin America has changed in profound ways since the end of the Cold War the re emergence of democracy and the ascendancy of free market economies and trade blocs The contributors to this volume recognize the necessity of finding intellectual approaches that speak to these transformations They utilize a wide range of contemporary models to analyze recent political and economic reform in nations throughout Latin America presenting case studies on Argentina Brazil Chile Ecuador El Salvador Honduras and Venezuela Bridging the gap between Latin American studies and political science these essays not only explore the forces that shape civil military relations in Latin America but also address larger questions of political development and democratization in the region The contributors are Felipe Ag ero J Samuel Fitch Wendy Hunter Ernesto L pez Brian Loveman David R Mares Deborah L Norden David Pion Berlin and Harold A Trinkunas Latin American Studies Political Science Latin American Perspectives on Civil-Military Relations today Jose Manuel Ugarte, Bertha Judit Garcia Gallegos, 2025-07-25 This edited volume discusses civil military relations in Latin America Written by regional experts the chapters take a multifaceted approach combining a general overview of the situation in the region a historical analysis of its evolution and its causes and an in depth analysis of national cases Argentina Brazil Chile Colombia Ecuador Uruguay and Venezuela The case studies examine power relations between armed forces and their respective governments comparing the degree to which governments exercise political leadership direction supervision and control over the armed forces and the degree of interference of armed forces in aspects of the State unrelated to traditional military missions of protection of sovereignty independence and territorial integrity against external aggressions Giving a nuanced view of a complex problem that continues to have a strong impact on political stability human rights and the quality of life in the region the book will be of particular interest to researchers and students of international relations Latin American politics defense and security studies **Research Handbook on Civil-Military Relations** Aurel Croissant, David Kuehn, David Pion-Berlin, 2024-04-12 Bringing together leading scholars from across the world this comprehensive Research Handbook analyses key problems subjects regions and countries in civil military relations Showcasing cutting edge research developments it illustrates the deeply complex nature of the field and analyses important topics in need of renewed consideration Democratization and Civilian Control in Asia A. Croissant, D. Kuehn, P. Lorenz, P. Chambers, 2015-12-04 How can civilians in newly democratized countries ensure their control over the military While establishing civilian control of the military is a necessary condition for a functioning democracy it requires prudent strategic action on the part of the decision makers to remove the military from positions of power and make it follow their orders

Civil-military Relations in Latin America David Pion-Berlin, 2001 *Civil Military Relations in Latin America New Analytical Perspectives* Military Review, 2005 **Routledge Handbook of Comparative Political Institutions** Jennifer Gandhi, Rubén Ruiz-Rufino, 2015-04-10 The Routledge Handbook of Comparative Political Institutions HCPI is designed to serve as a comprehensive reference guide to our accumulated knowledge and the cutting edge of scholarship about political institutions in the comparative context It differs from existing handbooks in that it focuses squarely on institutions but also discusses how they intersect with the study of mass behaviour and explain important outcomes drawing on the perspective of comparative politics The Handbook is organized into three sections The first section consisting of six chapters is organized around broad theoretical and empirical challenges affecting the study of institutions It highlights the major issues that emerge among scholars defining measuring and analyzing institutions The second section includes fifteen chapters each of which handles a different substantive institution of importance in comparative politics This section covers traditional topics such as electoral rules and federalism as well as less conventional but equally important areas including authoritarian institutions labor market institutions and the military Each chapter not only provides a summary of our current state of knowledge on the topic but also advances claims that emphasise the research frontier on the topic and that should encourage greater investigation The final section encompassing seven chapters examines the relationship between institutions and a variety of important outcomes such as political violence economic performance and voting behavior The idea is to consider what features of the political sociological and economic world we understand better because of the scholarly attention to institutions Featuring contributions from leading researchers in the field from the US UK Europe and elsewhere this Handbook will be of great interest to all students and scholars of political institutions political behaviour and comparative politics Jennifer Gandhi is Associate Professor Department of Political Science Emory University Rub n Ruiz Rufino is Lecturer in International Politics Department of Political Economy King s College London Globalization of Civil-military Relations IPSA Research Committee on Armed Forces and Society. Mexico's Military on the Democratic Stage Roderic A. Camp,2005-09-30 Based on information not available previously this comprehensive study details the history evolution and changing relationship between the armed forces and civilian leadership in Mexico in the second half of the 20th century Camp focuses on the past two decades during which democratic transformation produced important changes within the armed forces in particular the navy Despite institutional autonomy a lack of reform and an increase in civilian missions the Mexican armed forces remain subordinate to civilian political authorities and Camp finds little evidence to support the common notion that they are a significant threat to civilian supremacy in general or to the democratic process in particular This work draws from published and unpublished sources military websites and material obtained through numerous freedom of information requests made directly through the secretariat of national defense It includes correspondence and interviews with Mexican officers specialists and journalists who have covered the military and American officers who have trained or worked with the Mexican armed forces Based upon thirty five years of research Camp incorporates detailed data on 670 army air force and naval officers at the two or three star rank into the only comprehensive biographical data bank ever compiled on the Mexican military This allows for insightful comparisons between the navy and army on such topics as leadership training international education and promotion It reveals new organizational developments within the armed forces especially the navy and the new roles civil political institutions are playing vis a vis the armed forces **Civil-military Relations** David R Mares,2018-02-12 This book analyses the normative and institutional aspects of the civil military relationship to demonstrate that it is the politics of the relationship rather than its form that influences the likelihood of democracy and regional peace It is useful for policymakers academics and general readers Crafting Civilian Control of the Military in Venezuela Harold A.
