Helena Hunting, 2016-11-14 A STANDALONE novel Sometimes the things we shouldn't want become exactly what we need Waitressing at a seedy strip club isn't ideal but it pays Sarah Adamson's tuition Her goal is to finish her master's program and get a job that doesn't involve tight skirts and groping hands She doesn't need distractions Especially not the one that comes in the form of a hot as sin tattoo artist who works across the street from her apartment Kicked out at sixteen and a high school dropout Chris Zelter is familiar with wanting things he can't have His fractured life has never been easy As the product of someone else's bad decisions he knows exactly what happens when the wrong person controls your marionette strings Now an accomplished tattoo artist in a renowned studio in Chicago Chris has it together Mostly Apart from his infatuation with Sarah She's way out of his league and Chris knows it But he's willing to be her bad decision At least for now

Starry-Eyed Love Helena Hunting, 2022-05-10 Charming hilarious and emotional *Starry Eyed Love* is Helena Hunting at her very best Having just broken up with her boyfriend London Spark is not in the mood to be hit on Especially not when she's out celebrating her single status with her sisters So when a very attractive man pays for their drinks and then slips her his number she passes it right back to him with a thanks but no thanks As the business administrator for their family's event hotel the Spark House London has more important things to worry about like bringing in new clientele As luck would have it a multi million dollar company calls a few months later asking for a meeting to discuss a potential partnership and London is eager to prove to her sisters and herself that she can land this deal Just when she thinks she has nailed her presentation the company's CEO Jackson Holt walks in and inserts himself into the meeting Not only that but he also happens to be the same guy she turned down at the bar a few months ago As they begin to spend more time together their working relationship blossoms into something more It isn't until their professional entanglements are finally over that London and Jackson are finally ready to take the next step in their relationship But between Jackson's secretive past and London's struggle with her sisters London must question where she really stands not just with Jackson but with the Spark House too [Inked Armor](#)
