from a social constructionist perspective and in light of recent work in sociolinguistics and cultural studies it broadens the current second language acquisition focus on age as a fixed biological or chronological variable to encompass its social dimensions What emerges is a more complex and nuanced understanding of age as it intersects with language learning in a way that links it fundamentally to other social phenomena such as gender ethnicity and social class American Headway Joan Soars,Amanda Maris,2009-09-03 Providing a foundation in the structure of the language by gradually building students understanding of the basic grammar vocabulary and functions of English **American Headway, Level 4** John Soars,Liz Soars,2005-07 Comprehensive challenging and effective the best of American Headway for upper intermediate to advanced students
