*FIGURE MARKETING BLUEPRINT Module 4: Keyword Research 2nd Ed* Nicole Munoz, 2013-03-14

Keywords are the main attraction to your website. When most people come online, they instantly go to a search engine, which is usually Google. What these people search for is what they want to know and buy. Being able to set up your website to appear to these searchers is the secret to success online. Keywords are much more complicating to understand than you might believe. Many people choose the wrong keywords, and then they wonder why their websites aren't receiving the conversion they thought they should be getting with the amount of traffic coming to their website. The answer to this is that the keywords may not be the right ones. Finding the right keywords for the customers that are most likely to buy from you is the way that you can start boosting your conversion rates, and we can help you find them.
