Own Your Past Change Your Future Dr. John Delony, 2022-04-19 Get on the path to being well We re the most technologically

advanced society in history but we've never been more stressed, medicated, or lonely. We have 1,000 Facebook friends but no one to help us move our couch. The pace of life is making us exhausted. We're all carrying the weight of our trauma based on the stories we were told by others and the ones we tell ourselves, and those stories are like bricks in a backpack that keep us from being happy and healthy. In his new book, national bestselling author Dr. John Delony provides a clear five-step path to being well. You'll learn how to redefine what trauma is and how to identify it in your life. Grieve and heal from past hurt and trauma. Make friends as an adult; it's not easy, but it is necessary. Change your thoughts; it's possible. Assess and evaluate your actions; these can change, too. You'll laugh. You'll cry. Your thoughts and actions will be challenged. And if you take the steps John outlines, you'll learn how to leave the past where it belongs and get on the path to healing.

In *Desire*, Stringer shows how to decode those clues and transform your story. Drawing on
