

GENERAL ENGINEERING SOLUTIONS IS A MULTI-DISCIPLINARY CONSULTANCY AND THE LEADING PROVIDER OF HIGHLY SPECIALISED SOLUTIONS IN THE ENGINEERING COMPUTATION SECTOR.

The company was established in 2008 as a design and computation business. The company's principal objective, defined in its corporate strategy, is to continue developing its activity as the provider of advanced analyses and to strengthen its leading position in the industry within Poland and other European markets. One of the key objectives of the company's long-term strategy is the continued development of innovative solutions that meet the highest European quality standards.

The use of advanced design tools (CAD) and state-of-the-art numerical analyses tools (CAE, CFD) together with the provision of a high-quality service helps us to deliver on our business objectives in line with our strategy. The projects we undertake are mainly R&D projects for the power-engineering, aviation, railway and shipbuilding industries.

With modern technical facilities combined with best practices and experienced personnel, we are able to accept and successfully complete even the most advanced projects. We offer state-of-the-art solutions that meet stringent quality standards applicable in, for example, the aviation or power-engineering sectors.

The expertise and experience demonstrated by our specialists enable us to provide our Customers with solutions that make their products more competitive, reliable and at reduced manufacturing costs. With financial stability, we are able to continue investing large amounts of money in the latest technologies and to continue improving the qualifications of our personnel. General Engineering Solutions offers a wide range of solutions in response to even the most challenging problems in the contemporary world.

OUR MISSION

Our mission is to continuously develop our expertise in the area of numerical analyses, both structural analyses and fluid mechanics. We work to ensure that, by combining innovation with the highest quality standards and continuous improvement of our team's qualifications, we can deliver solutions that fully satisfy our Customers' needs.

Building and maintaining positive relations with our partners and the community is our priority. We wish to be fully trusted by our Customers and our Employees, as it is our Customers and Employees that we rely on for our future growth.
