Pro Blog Post Ideas Ideas 22006:

The Gift of Violence Matt Thornton, 2023-04-11 In today's modern world we are largely isolated from the kind of savagery our ancestors faced on a daily basis. Although violence was as natural to our evolutionary development as sex and food, it has become foreign to most of us at once demonized and glamorized but almost always deeply misunderstood. Our hard-earned and hard-wired instincts, our evolved and trained ability to survive and overcome violent encounters have been compromised. Yet as even a cursory look at news headlines or a police blotter will reveal, the threat of violent crime is ever present and those we've entrusted to protect us cannot always be relied upon. *The Gift of Violence* tells the story of this vulnerability and provides the average person with all the knowledge they need to reduce the likelihood of becoming a victim of violence and to increase their chances of surviving a violent encounter. Based both on the author's decades of experience teaching everyday people how to defend themselves and on a rational approach to the scientific data, *The Gift of Violence* offers clear, easy-to-remember lessons for people of all ages and abilities. It is designed to empower those who've been affected by violence or are concerned that they or their loved ones could be. In short, it was written to help good people become more dangerous to bad people. Every reader will be armed with the necessary knowledge to harness the power of violence for him or herself and in the process to be not just smarter and stronger but also safer.

Whether you're just getting started with your blog or you're a seasoned blogger, *365 Blog Topic Ideas For The Lifestyle Blogger Who Has Nothing to Write About* is the one book you should keep close by. FROM THE AUTHOR *365 Blog Topic Ideas* is a book I wrote to help you feel a little more inspired when you're feeling stuck for content. You literally get an entire year's worth of ideas that you can mix in with your own regular content whenever you feel the desire. My goal is to help you become unstuck and spark a little creativity. Being a lifestyle blogger could mean something different for many of us. Some of us blog about our home lives, some about cooking or beauty or fashion. I tried my best to make these topics appeal to a large group of different niches, and I think it's fairly easy to adapt them to your own blog demographic if you need to. I also included different types of topics to help your readers get to know you and also increase the share quality of your posts because I think that both are super important in building a following as well as traffic. From my research and experience, certain types of posts get more shares than others, so I've made sure to include handfuls of those in this book. You can jump into the book at any page in no particular order.

whether you're just getting started with your blog or not. You can use the topics as is or even get a little creative and add your own spin on them. Enjoy your blogging journey.
