Lost at School Ross W. Greene,2008-10-21 From a distinguished clinician pioneer in working with behaviorally challenging kids and author of the acclaimed *The Explosive Child* comes a groundbreaking approach for understanding and helping these kids and transforming school discipline Frequent visits to the principal s office Detentions Suspensions Expulsions These are the established tools of school discipline for kids who don t abide by school rules have a hard time getting along with other kids don t seem to respect authority don t seem interested in learning and are disrupting the learning of their classmates But there s a big problem with these strategies They are ineffective for most of the students to whom they are applied It s time for a change in course Here Dr Ross W Greene presents an enlightened clear cut and practical alternative Relying on research from the neurosciences Dr Greene offers a new conceptual framework for understanding the difficulties of kids with behavioral challenges and explains why traditional discipline isn t effective at addressing these difficulties Emphasizing the revolutionarily simple and positive notion that kids do well if they can he persuasively argues that kids with behavioral challenges are not attention seeking manipulative limit testing coercive or unmotivated but that they lack the skills to behave adaptively And when adults recognize the true factors underlying difficult behavior and teach kids the skills in increments they can handle the results are astounding The kids overcome their obstacles the frustration of teachers parents and classmates diminishes and the well being and learning of all students are enhanced In *Lost at School* Dr Greene describes how his road tested evidence based approach called Collaborative Problem Solving can help challenging kids at school His lively compelling narrative includes tools to identify the triggers and lagging skills underlying challenging behavior explicit guidance on how to radically improve interactions with challenging kids along with many examples showing how it s done dialogues Q A s and the story which runs through the book of one child and his teachers parents and school practical guidance for successful planning and collaboration among teachers parents administrations and kids Backed by years of experience and research and written with a powerful sense of hope and achievable change *Lost at School* gives teachers and parents the realistic strategies and information to impact the classroom experience of every challenging kid

Social Science ,1928 Lost & Found Ross W. Greene,2024-11-13 Help the students with concerning behaviors without detentions suspensions expulsions paddling restraint and seclusion In the newly revised Second Edition of *Lost and Found* distinguished child psychologist Dr Ross W Greene delivers an insightful and effective framework for educators struggling with students with concerning behaviors The author s Collaborative Proactive

Solutions CPS approach focuses on the problems that are causing concerning behaviors and helps school staff partner with students to solve those problems rather than simply modifying the behavior In this book you ll discover A more compassionate practical effective approach to students concerning behaviors one that positions educators as allies not enemies and as partners not adversaries Updated examples and dialogue suited to modern classrooms and recent innovations from the constantly evolving CPS model Specific advice on how schools can eliminate the use of punitive exclusionary disciplinary procedures and address disproportionality Perfect for K 12 educators in general and special education Lost and Found has also become standard reading for teachers in training professors and parents who struggle to help students for whom everything has already been tried
