### Abstract

*This paper presents Academic Language Proficiency and how to use general and content-specific vocabulary, specialized or complex grammatical structures—all for the purpose of acquiring new knowledge and skills. English for Academic Purposes (EAP) has emerged out of the broader field of English for Specific Purposes (ESP). EAP teachers often attempt to choose the best way to assist students with Academic English. EAP educators show wholeheartedly their expertise in classroom instruction, their responsiveness to students' needs through educational progress arranging and materials improvement.*

**Keywords:** Academic English, EAP, ESP, Language Skills

### Introduction

In the recent times the use of English has been rapidly spreading worldwide for different purposes such as English for medical, legal, business and commerce, science and technology, travel and tourism, general administration and academic purposes. English for specific purposes (ESP) and the subsidiary field of English for academic purposes (EAP) have gotten progressively significant. EAP and ESP can be recognized from universally useful courses by their considerable accentuation on the need to set up and address the issues of students. ESP and EAP courses might be confined to just a couple of the four abilities; they are likewise normally shorter and regularly more propelling for students than broadly useful courses. ESP and EAP are basically practical in their interests; learning and research are robustly related to pragmatics.

English for academic purposes (EAP) has emerged out of the broader field of English for specific purposes (ESP), defined by its focus on teaching English specifically to facilitate learners' study or research through the medium of English (Flowerdew & Peacock, 2001, p. 3; Hyland & Hamp-Lyons, 2002, p. 1). EAP is separated from ESP by the concentration on academic structure, however among the applied linguistics and English language instruction fields more generally the perspective on EAP as a sub-discipline inside ESP. EAP - English for Academic Purposes - alludes to the language and related practices that individuals need so as to embrace study or work in English medium advanced education. The goal of an EAP course, at that point, is to enable these individuals to get familiar with a portion of the
