## **International Financial Management 5th Edition:**

*International Financial Management* JEFF. MADURA, 2020-01-28 International finance has become one of the hottest topics in national debates with tariff wars and EU membership dominating the news. As multinational corporations (MNCs) continue to expand their operations globally, they must not only manage the advantages that ensue but also their exposure to risk. The fifth edition of Madura and Fox's *International Financial Management* offers students a comprehensive introduction to this fast-moving field, discussing not only exchange rate behaviour, exchange rate risk management, long and short term asset and liability management, but also topics such as different currencies, dissimilar political situations, imperfect markets, and diversified opportunity sets. Engaging real world examples, critical debate questions, and project/workshop activities equip students with the essential knowledge they need to succeed in international finance. This textbook is suitable for both final year undergraduate and master's level courses in international financial management. This title is available with MindTap, a flexible online learning solution that provides students with all the tools they need to succeed, including an interactive eReader, engaging multimedia, practice questions, assessment materials, revision aids, and analytics to help you track their progress.

[International Financial Management](#) Jeff Madura, Ariful Hoque, Chandrasekhar Krishnamurti, 2018-01-01 Equip your students for success in international finance with the unrivalled depth of theory and practical applications presented in Madura, Hoque and Krishnamurti's *INTERNATIONAL FINANCIAL MANAGEMENT Asia Pacific* 1st edition. This APAC edition builds on the fundamental principles of corporate finance to provide the timely information and contemporary insights your students need to prosper in today's global business environment. With the original US edition being well known for its inviting, reader-friendly style and clear explanations, this APAC 1st edition introduces international finance with a focus on the important role of modern multinational corporations in global commerce within a strong APAC context. Using a strong corporate perspective, it discusses a wide range of managerial topics and emphasises the most recent changes in the international environment. Relevant examples, instructive diagrams, self-tests, and other learning features provide hands-on experience to help your students develop the skills they need to effectively manage in contemporary practice.

**INTERNATIONAL FINANCIAL MANAGEMENT** SHARAN, VYUPTAKESH, 2012-05-09 This thoroughly revised and updated Sixth Edition is a result of the enthusiastic reception accorded by the readers to the earlier editions and the wide adoption of the book in academic institutions. While retaining the major contents of the earlier editions, the new edition provides a clear understanding of the latest tools and techniques used in international finance. The book deals with contemporary financial environment and strategies and the functional as well as operational aspects in the international financial arena. What is New to the Sixth Edition: All chapters updated to give the latest information. New Case Studies and Study Topics added. The book is primarily intended as a textbook for postgraduate students of Business Management (MBA), Master of International Business (MIB), Master of Commerce, Master of Economics, and Master of Financial Control (MFC).

Besides students of Chartered Accountancy and professionals in the financial field should find the book very valuable
