Mom's Got Money
Catherine Alford,2021-03-30 Mom s Got Money is a mother s guide an instruction manual to help them use the skills they already possess to become extraordinarily confident managers of their money Alford won t pretend mothers don t have a lot on their plate She already knows they re pressed for time The weight of their daily decisions takes a toll Sometimes it feels like they manage everything whether they have a supportive spouse or not She knows this because it s that way in her house too However we all have a choice on how to handle that responsibility and Alford thinks we can flip the script Instead of being frustrated or feeling resentful Alford teaches moms how to recognize their own strengths and develop true financial confidence Once readers master Alford s money lessons they ll start to truly enjoy money Vacations are more fun when they re already planned and paid for Christmas shopping is a breeze when you have a fully funded holiday spending account Never worry about the worst that can happen because you have a fully funded emergency fund and life insurance Feel in control of your bills caught up and with room to spare In this book you ll learn how to Become an exceptional leader of your family with a growth mindset Calculate your net worth Effectively budget and manage your household cash flow Work with your spouse or partner on financial goals Understand what impacts your credit score Ensure you pay all your bills on time every time Make sure you plan for emergencies Protect your family by buying term life insurance Do the math on childcare costs vs career costs when having a family Plan and save for holiday spending birthdays and special events Learn the art and joy of giving Ideal for moms everywhere but especially new and millennial moms Mom s Got Money is an indispensable guide to taking financial control of your life

The Financial Times Guide to Exchange Traded Funds and Index Funds

David Stevenson,2012-12-14 Since the first edition of The Financial Times Guide to ETFs was published in 2009 the number of ETFs in issue has doubled and ETFs are now common both on investor platforms and increasingly amongst financial advisors This massive increase in demand has highlighted an urgent debate just how dangerous are ETFs and how much do investors and advisers understand about the structure of the index tracker The second edition of this book attempts to answer this debate and is the indispensable bible on trackers for professional advisers and serious private investors This new edition also features a chapter based around the theme of Due Diligence and a new chapter on How to use ETFs and Index Funds for theLong term as well as a new Jargon busting section and a new appendix looking at new ideas beginning to emerge
