Strauss Binary Opposition:

Media Studies: Media history, media and society Pieter Jacobus Fourie, 2007 While examining exactly who owns the media and who produces the media this text manages to encompass the systematic critical and analytical media in all its forms and concludes that the media is one of the most important generators and disseminators of meaning in contemporary society Investigating the power relationships between the media and politics culture economy society and above all democracy this resource is well suited for anyone with an interest in the modern role of media in society *Media Studies: Content, audiences, and production* Pieter Jacobus Fourie, 2001 This book includes theoretical approaches as well as a production section that focuses on basic techniques and introductory applications of media studies [A History of Anthropological Theory](#) Paul A. Erickson, Liam Donat Murphy, 2008-01-01 This overview of the history of anthropological theory provides a comprehensive history from antiquity through to the twenty first century with a focus on the twentieth century and beyond Unlike other volumes it also offers a four field introduction to theory As a stand alone text or used in conjunction with the companion volume *Readings for a History of Anthropological Theory* Erickson and Murphy offer a comprehensive affordable and contemporary introduction to anthropological theory The third edition has been updated and fully revised throughout to closely parallel the presentation in the companion reader making it easier to use both books in tandem New original essays by contemporary theorists bring theories to life and portraits of important theorists make it a handsome volume Sources and suggested readings have been updated and glossary definitions have been updated streamlined and standardized **Feminism in the Study of Religion** Darlene Juschka, 2001-08-02 Written by feminist scholars over a period of nearly thirty years the selected readings are wide ranging in content offer a multi ethnic and multi cultural perspective and reflect the work of scholars working within religious studies as well as other disciplines The introductory essays link the sections and are packed with useful information on resources issues and the current debates The book illustrates how debates about feminism within the study of religions have been impacted by broader theoretical discussions and provides evidence that feminist scholars working on religion have made their own contribution to feminist theory **An Analysis of Claude Levi-Strauss's Structural Anthropology** Jeffrey A. Becker, Kitty Wheeler, 2017-07-05 Claude L vi Strauss is probably the most complex anthropological theorist of all time His work continues to influence present day thinkers in his field but he is perhaps even more influential beyond it As one of the key figures in the development of what is known today as French theory L vi Strauss was one of the most important thinkers of the 20th century His theories of interpretation meaning and culture have helped shape the ideas and methodologies of a range of disciplines above all literature and philosophy At the heart of L vi Strauss s work are the questions of meaning and where meaning comes from As an anthropologist he was primarily interested in what completely different and separate cultures might have in common Crucially he saw how common ground resides not on the surface of cultures i e in similar customs but deep inside invisible

background structures of thought His quest was to peel away the surface of different cultures through careful interpretation advancing from one layer to another until he discovered the structures that lay behind all of the exterior practices and meanings Infamously challenging his work shows interpretative skills working at the highest most abstract level possible

Western Social Thought, Vol. 2: The Contemporary Masters J.P. SINGH,2022-01-01 In this book an effort has been made to offer students a lively and critical introduction to contemporary sociology It is written with a range of students in mind It will also be of interest to anyone curious about the nature of cotemporary sociology in the West The book critically examines the major contemporary social thinkers from Claude L vi Strauss 1908 2009 to Randall Collins born 1941 The sociological thinkers covered in this book are Claude L vi Strauss Lewis Alfred Coser Charles Wright Mills Harold Garfinkel Louis Pierre Althusser Peter Michael Blau Erving Goffman Jean Fran ois Lyotard Paul Michel Foucault Peter Ludwig Berger Gustav Dahrendorf Jean Baudrillard J rgen Habermas Jacques Derrida Pierre Bourdieu Immanuel Maurice Wallerstein Anthony Giddens and Randall Collins Modern social theory is an essential text for sociology students and will also be welcomed by those readers who are interested in social and political theory social psychology organization studies and cultural studies The book will be useful for students as well as teachers of sociology anthropology political science and history *Anxious*

Identity Ho-chia Chueh,2004-12-30 This work is a systematic analysis of texts with arguments on political performance of representation and agency in education The author critically examines discourses on the politics of difference including those of Paulo Freire Claude Levi Strauss Iris M Young and Chantal Mouffe Derrida s thoughts on the political as a way to understand difference and identity in education concludes the volume This work begins with an examination of Hegel s work on the relationship between the lord and the bondsman which is implemented in the political discourse of Paulo Freire It explores the methodological value of concepts of opposition it looks at the work by Levi Strauss on cultural differences as well as that of Iris M Young and Chantal Mouffe on the politics of difference *Anxious Identity* calls for a consideration of Derrida s thoughts on the poltical as an approach to understanding difference and identity In addition to work of Western philosophers and theorists included are the postcolonial writers Homi Bhabha and Gayatri Spivak [The Film Handbook](#)

Mark de Valk,Sarah Arnold,2013-05-02 *The Film Handbook* examines the current state of filmmaking and how film language technique and aesthetics are being utilised for today s digital film productions It reflects on how critical analysis of film underpins practice and story and how developing an autonomous vision will best aid student creativity *The Film Handbook* offers practical guidance on a range of traditional and independent guerrilla film production methods from developing script ideas and the logistics of planning the shoot to cinematography sound and directing practices Film professionals share advice of their creative and practical experiences shooting both on digital and film forms *The Film Handbook* relates theory to the filmmaking process and includes documentary narrative and experimental forms including deliberations on reading the screen genre mise en sc ne montage and sound design new technologies of film production and independent distribution

digital and multi film formats utilised for indie filmmakers and professional dramas sound design and music the short film form theories of transgressive and independent guerrilla filmmaking the avant garde and experimental as a means of creative expression preparing to work in the film industry development of specialisms as director producer cinematographer editor and the presentation of creative work

Gender & Difference in a Globalizing World Frances E. Mascia-Lees,2010 Mascia Lees combines core components of these perspectives with insightful analyses and ethnographic examples to illustrate how global events and transformations have molded and continue to shape gender identities behaviors and expectations and produce and sustain worldwide inequalities This exemplary treatment provides a solid background to understand complex issues and to think critically about remedying uneven degrees of privilege and experiences of oppression both within and across nations Book Jacket

American Folklore Studies Simon J. Bronner,1986 Exotic Visions in Marketing Theory and Practice Alf H. Walle,2002 Annotation Discusses the contributions that both structural and poststructural social theory have made and continues to make to marketing and consumer research

The Logic of the Laws David S. Moyer,1975 This study is directed towards providing basic background material for the understanding of South Sumatran social organisation To this end four legal codes from the first half of the nineteenth century are presented and analysed The method used in the analysis is a modification of that used by Levi Strauss for the analysis of myth The author concludes by stating Out of these detailed analyses the most significant phenomenon to emerge is the fact that a relatively small number of formal properties are distributed through a large number of structures within a single legal code and because of their formal similarities these structures are mutually reinforcing

VKI ,1975 Cultural Anthropology Conrad Phillip Kottak,1991 *Frederick Douglass's Narrative of the Life of Frederick Douglass* Harold Bloom,1988 Society as Semiosis Risto Heiskala,2003 Action theory phenomenological sociology pragmatism and post structuralism are often seen as mutually exclusive currents of meaning analysis Shows that these traditions are actually complementary and builds a neostructuralist synthesis on this finding It also outlines the implications of this cultural theoretical synthesis for the field of social theory What emerges is a variant of the theory of practice habit and structuration of society
