Things were bad then but during the Trump administration liberals reached a new level of hysteria and misconduct Democrat anger has grown so irrational that it has burst through the constitutional guardrails which protect our institutions and our republic While they constantly label the right fascist the left imposes policies which suppress speech, limit freedom, and empower federal bullies In *Power Grab* Chaffetz pulls back the curtain on the world of hypocrisy, political intrigue, and procedural malfeasance that is Washington D.C. With stories you won't read anywhere else he shows how the left weaves false narratives, drums up investigations in search of a crime, and refuses to direct congressional oversight towards its appropriate target: the government Democrats weaponize nonprofit advocacy groups and monetize partisan anger to line the pockets of their political allies They use voter enrollment as a smokescreen to hide their plans to destabilize free elections and seek to politicize federal agencies like the Federal Election Commission, the IRS, and the Department of Justice It shouldn't be this way Democrats have abandoned the wisdom set forth in the Constitution for short-term political wins *Power Grab* shows the lengths to which Democrats will go to maintain their grip on power and how the only thing that will stop them is a return to our founding principles **Course of Study and Manual of Instruction** William Bramwell Powell, 1879
