Football - Bloody Hell! Patrick Barclay,2010-10-31 SHORTLISTED FOR THE BRITISH SPORTS BOOK AWARDS Sir Alex Ferguson is the most controversial and compelling figure in football For many he ranks as the

greatest manager of all time He is certainly the most successful It s been more than ten years since Ferguson s Manchester United triumphed over Bayern Munich in the dying seconds of the Champions League final Since then he has presided over the rise and fall and rise again of Jos Mourinho the arrival and departure of the world s best player Ronaldo the removal of one English talisman Beckham and the irresistible instalment of another Rooney Ferguson has been instrumental in making the Premier League the most successful competition in football and he has endured while the mountains of cash have turned to valleys of debt Throughout award winning journalist Patrick Barclay has been pitch side and spoken to all those who know Ferguson best fellow managers former players colleagues and commentators The result is Football Bloody Hell the definitive work on the game s greatest living legend *Cristiano and Leo* Jimmy Burns,2018-05-31 A Financial Times Sports Books of the Year Cristiano and Leo is the fascinating account of the lives and rivalry between two of the best footballers to ever play the game Ronaldo and Messi by Jimmy Burns the bestselling author of Maradona The Hand of God The rivalry between Ronaldo and Messi has defined football to a generation of fans everyone has an opinion on who is the greatest Do you prefer Ronaldo whose work ethic and physique have been honed for one purpose scoring goals Or Messi whose superhuman natural talent means he can do the seemingly impossible with a football Between them they have scored over 1300 goals won the Ballon d Or ten times and taken the beautiful game to even greater heights But statistics alone cannot do justice to their skill athleticism and dedication to stay at the top for so long of one of the most competitive sports in the world Cristiano and Leo tells their definitive story from children kicking a ball halfway around the world from each other to facing each other in the epic clash El Cl sico between Real Madrid and Barcelona This is the essential book to understand one the most compelling rivalries in sporting history [They Always Score](#) Ryan Baldi,2023-10-05 Fascinating and original will tell you things even the most ardent United fan will not know Jim White The Telegraph On 26 May 1999 Manchester United sealed their historic Treble of league FA Cup and Champions League in the most dramatic fashion imaginable scoring twice in stoppage time to snatch an unthinkable victory from Bayern Munich at the Camp Nou in Barcelona The story of what happened on the pitch is well known enshrined in the annals of football history But less in known about how this rollercoaster campaign played out behind the scenes Thanks to unparalleled insight gleaned from hundreds of exclusive interviews with United players coaches opponents backroom personnel club staff journalists and commentators They Always Score The Unforgettable Improbable Iconic Story of Manchester United s Treble Winners peels back the curtain to give readers the most comprehensive illuminating and entertaining picture ever painted of one of the all time great sports teams *Match Fit* Johnnie Lowery,2023-08-28 Match Fit takes an in depth look at mental health in football from the Premier League down to five a side in the hope of destigmatising this much neglected topic with candid contributions from the likes of Chris Kirkland Paul Lambert and Marcus Bent Subjects such as the issues facing footballers after retirement and the rise of social media are placed under the microscope and we discover how being a football fan can benefit your mental health Seasoned pros discuss

the challenges they've faced in football speaking openly about personal experiences most of us wouldn't associate with the glamour of the beautiful game From a grassroots perspective there are uplifting stories of how people have learnt to manage their mental health with football as a key tool to help them get through their day to day lives If the interviewees involved in a sport that has traditionally lauded masculinity and the absence of so called weakness can open up about their mental health then so can anyone

Leading Alex Ferguson,2016-02-01 **The Boss** Michael Crick,2003 Ferguson's own autobiography was a great bestseller on its publication in 1999 But Fergie's book told the story through only one pair of eyes Now Michael Crick acclaimed biographer of Jeffrey Archer writes the first fully rounded independent portrait of Sir Alex From his roots as a Govan trade unionist to the current peaks of world football Crick applies the same forensic skills he applied to his study of the disgraced Tory peer Through hundreds of interviews with those who've known and worked with Sir Alex and delving back through the archives Michael Crick explores the money and the politics of football the bust ups the fights and those memorable moments of glory Charismatic and charming volcanic and ruthless searingly ambitious and astonishingly successful What makes Sir Alex Ferguson tick How did this complex character become the most successful manager in British football producing first at Aberdeen and now at Manchester United two of the most prolific trophy grabbing machines in the modern game THE BOSS is essential reading not just for Manchester United fans and football followers in general but for anyone interested in the skills of successful management

This Is the One Daniel Taylor,2011-11-11 This is the One is a fascinating insight into the mindset and winning temperament of the recently retired Sir Alex Ferguson the most successful manager in English football When This Is The One was first published in 2007 it was hailed by Michael Crick as one of the all time Manchester United classics and featured by The Times in their quest to find the Best Ever 50 Sports Books Written over the course of two eventful and controversial seasons it offers a unique portrait of Sir Alex Ferguson from Daniel Taylor's position behind the scenes as a football writer covering Manchester United for the Guardian During the 2005-06 season Taylor saw Ferguson at one of the lowest ebbs of his quarter of a century in charge with a failing team explosive fallouts with Roy Keane and Ruud van Nistelrooy a disenchanting fan base and speculation that he might be forced out of the job The season that followed demonstrated why Ferguson deserves to be seen as the greatest manager the modern game has produced with Manchester United deposing Chelsea as Premier League champions and eventually seeing off Jos Mourinho Ferguson would later call it the greatest achievement of his time at England's biggest football club This Is The One is the close upwarts and all account of what happened during those two helter-skelter seasons the excruciating lows and the exhilarating highs It is also a fascinating exploration of the many different facets of Ferguson himself from his infamous hairdryer treatment to the softer more humane side of the most successful manager in the business

GREATS Sun Why me How could a boy from a Copenhagen tower block say I want to be a champion with Manchester United and Denmark and make it happen Peter Schmeichel is a giant of football who won more Premier League titles five than any player in his position and captained Manchester United in the incomparable last gasp Treble clinching win over Bayern Munich in the 1999 Champions League final I don't believe a better goalkeeper played the game Sir Alex Ferguson said One My Autobiography is Schmeichel's story In it he takes us inside the remarkable winning environment of a club that transformed football during the 1990s and on to the pitch on that crazy breathless night in Barcelona in 1999 From Ferguson's unique gifts to Eric Cantona's unique personality he delivers a close up and insightful portrait of United's golden era However One My Autobiography goes way beyond the pitch Schmeichel has an incredible family story to tell starting with his father Antoni a brilliant Polish jazz musician who battled demons and for years kept a momentous secret from those around him And he explores what he has been able to pass on to his own son Kasper himself a Premier League winning goalkeeper and number one in the Danish national side Peter's life after football seldom straightforward is described with astonishing candour One My Autobiography is about football origins journeys and legacy
