**Amir Sjarifoeddin** Rudolf Mrázek,2024-10-15 Amir Sjarifoeddin explores the experiences of a central figure in the Indonesian revolution whose life mirrored the idealism and contradictions of the anti colonial and post war world of twentieth century Indonesia Amir was born at the edge of an empire in a time of change Imprisoned by the Dutch for anti colonialism he was sentenced to death by the Japanese for anti fascism He survived to become the prime minister of the new Indonesian republic Disappointed by the direction the Indonesian elites were taking Amir turned increasingly to the left In 1948 he joined the armed uprising against

both the Indonesian government and the corruption of the national revolution and was captured and executed as a traitor In Amir Sjarifoeddin Rudolf Mr zek unveils the human dimensions of a figure who is widely mythologized but often poorly understood Through Sjarifoeddin s life it is possible to study the moral ambiguity and complexities of the political revolutions of the twentieth century

**Traitor** David Rothkopf,2024-03-26 Rothkopf does a brilliant job defining precisely how Trump has been aiding and abetting the enemy compelling Financial Times Political historian and commentator David Rothkopf shows how Trump will be judged by history Spoiler alert not well in Traitor Donald Trump is unfit in almost every respect for the high office he holds But what distinguishes him from every other bad leader the U S has had is that he has repeatedly egregiously betrayed his country Regardless of how Senate Republicans have let him off the hook the facts available to the public show that Trump has met every necessary standard to define his behavior as traitorous He has clearly broken faith with the people of the country he was chosen to lead starting long before he took office then throughout his time in the White House And we may not yet have seen the last of his crimes But the story we know so far is so outrageous and disturbing that it raises a question that has never before been presented in American history is the president of the United States the greatest threat this country faces in the world We also need to understand how the country has historically viewed such crimes and how it has treated them in the past to place what has happened in perspective After his examination of traitors including Benedict Arnold Aaron Burr and leaders of the Confederacy David Rothkopf concludes that Donald Trump and his many abettors have committed the highest level greatest most damaging betrayal in the history of the country
