S. Sardesai,1935 Modern India Sumit Sarkar,2014 Modern India provides an insight into the historiography of India and its freedom struggle from the colonial era to the year of Independence It uses archival data from various sources and collates it with new research elements in the history of the period As a result it has been able to provide a critical perspective on the historical political social and cultural events of the time The book is credited as one of the most widely read books on the topic and has changed our understanding of modern Indian history It is already prescribed in the following 18 Universities in India as principal text It also appears as supplementary text in other Universities Recommended Reading Calicut University Calcutta University Gauhati University Delhi University Aligarh Muslim University MDU Rohtak VBSU Kota University CCS University Kashmir University MLSU Ajmer JNVU Gujarat University Mumbai University North Maharashtra University Baroda University Christ University Kannaur University Advanced Study in the History of Modern India 1707-1813 Jaswant Lal Mehta,2005-01-01 An analytical and critical account of the political history of early modern India from 1707 to 1813 The narrative shatters the contention of contemporary European writers that it was the dark age of Indian history characterised by political anarchy and misgovernment until the British brought it under their sway The main thesis of the author is that the period was marked by two distinct phases the first phase which lasted from 1707 to 1760 saw the rapid disintegration of the Mughal power and its replacement by the Maratha hegemony Meanwhile the English traders turned colonialists after consolidating their hold along the Indian seacoasts and conquest of Carnatic and Bengal challenged the Maratha hegemony The second phase of developments was thus marked by the struggle for supremacy between these two powers The author makes use of contemporary English and Marathi sources and the intensive researches of modern historians to portray a compact picture of their findings in the form of a text book for the benefit of the degree students Historical facts are reinterpreted through illuminating expositions refreshing characterisation of historic personalities and objective assessment of events and movements Together with maps a select bibliography glossary and an elaborate index the volume makes a rich contribution to the advancement of modern historical literature **19th Century Maharashtra** Shradha Kumbhojkar,2020-10-27 Maharashtra in the nineteenth century exhibits all the characteristics of a society standing at the crossroads of civilization Western education press industrialisation and material changes in production and consumption patterns resulted in fundamental changes in the thinking of the people The first half of the nineteenth century witnessed the beginning of the Postal Service in 1837 rise and spread of the native press and rudimentary education The second half witnessed more dramatic events such as the coming of the Railways and the establishment of the of Indian National Congress that changed the destiny of the subcontinent forever The book takes a fresh look at the various

aspects of nineteenth century Maharashtra It includes the critiques and reviews of literature language history writing and women s reforms in this period It argues that the elite attempts at social reform had their own inherent limitations They could not reach the level of radicality reached by the subalterns whose lived experience of discrimination was the biggest stimulus for reform Mahatma Phule stands out from among a range of thinkers in this period for his innovative understanding of the Indian reality Phule was one of the rare thinkers who reconciled the Indian reality with its Universal counterpart
