Advances in Robot Kinematics: Analysis and Control Jadran Lenarčič, Manfred L. Husty, 2013-04-17 The contributions in this book were presented at the sixth international symposium on Advances in Robot Kinematics organised in June July 1998 in Strobl Salzburg in Austria The preceding symposia of the series took place in Ljubljana 1988 Linz 1990 Ferrara 1992 Ljubljana 1994 and Piran 1996 Ever since its first event ARK has attracted the most outstanding authors in the area and managed to create a perfect combination of professionalism and friendly atmosphere We are glad to observe that in spite of a strong competition of many international conferences and meetings ARK is continuing to grow in terms of the number of participants and in terms of its scientific impact In its ten years ARK has contributed to develop a remarkable scientific community in the area of robot kinematics The last four symposia were organised under the patronage of the International Federation for the Theory of Machines and Mechanisms IFToMM interest to researchers doctoral students and teachers The book is of engineers and mathematicians specialising in kinematics of robots and mechanisms mathematical modelling simulation design and control of robots It is divided into sections that were found as the prevalent areas of the contemporary kinematics research As it can easily be noticed an important part of the book is dedicated to various aspects of the kinematics of parallel mechanisms that persist to be one of the most attractive areas of research in robot kinematics

Transmissions of Memory Patrizia Sambuco, 2018-03-19 *Transmissions of Memory Echoes Traumas and Nostalgia in Post World War II Italian Culture* discusses cultural products films poetry fiction architectural buildings autobiographical writing and social media to individuate through them the dynamics of memory The field of analysis is Italian culture from World War II to the contemporary times and the volume has in a gendered approach one of its focuses offering an encompassing view on cultural memory and highlighting the similarities between gendered revisitation and revisitation of the past The volume is divided into three sections cultural transmissions fractured memories and nostalgia In the chapters herewith the study of memory through these forms hints at a sense of transformation and often enrichment or resilience individual or collective that values more the present and the future rather than the past
