Freedom Is Not Free:

Freedom Is Not Free Ronald Lynn,2016-02-18 When our forefathers declared their independence from England they wrote a Constitution and a Bill of Rights that described the structure and framework of how our government was going to work and certain rights granted to the citizens that flowed from God instead of man and could not be easily or willfully overturned without the support of the people to whom they were given During a time when certain of these rights are under attack this book describes the danger of the weakening of our rights In recognition that any rights including the right to live freely are at risk unless they are protected by a strong military this book hails those who have served in our military from our Revolution until now
