compilation of a series of lectures given by the author in relation to his book *The road less traveled* *The Different Drum* M. Scott Peck, 2010-05-11 The overall purpose of human communication is or should be reconciliation It should ultimately serve to lower or remove the walls of misunderstanding which unduly separate us human beings one from another Although we have developed the technology to make communication more efficient and to bring people closer together we have failed to use it to build a true global community Dr M Scott Peck believes that if we are to prevent civilization destroying itself we must urgently rebuild on all levels local national and international and that is the first step to spiritual survival In this radical and challenging book he describes how the communities work how group action can be developed on the principles of tolerance and love and how we can start to transform world society into a true community *The Friendly Snowflake* M. Scott Peck, Ariel Books, 2001-08-22 A gentle tale in which Jenny and her family examine the miracle of a single snowflake and

its message of faith and rebirth

The Way Through the Trees Sarah Brush, 2025-10-31 Throughout history Christians have reached for a variety of metaphors to try and understand and explain the journey of discipleship The Way Through the Trees presents a case for the concept of development in faith through engagement with scripture the Christian Tradition and modern theology In it Sarah Brush also offers an important introduction to some of the multiple ways of understanding faith development which predominate today from the single trajectory approach described by Fowler or Rohr to the cyclical pattern identified by McLaren Demonstrating how scripture supports the concept of faith as not a simple one off conversion but of continuing discipleship The Way Through the Trees explores the way faith grows through wisdom from the Christian Tradition alongside the most significant modern models of faith development newly categorised in three groups according to the movement of faith within the models Through exploring the various existing models and the new narrative metaphor and culminating in a new model which draws from all that has preceded it the book seeks to equip people in understanding their own faith journey and support others in theirs
