The Zoya Factor:

The Zoya Factor (National Bestseller) Anuja Chauhan, 2023-10-31 Now in a fresh new look India's funniest and most entertaining novelist MINT When the younger players in India's cricket team find out that advertising executive Zoya Singh Solanki was born at the very moment India won the World Cup back in 1983 they are intrigued When having breakfast with her is followed by victories on the field they are impressed And when not eating with her results in defeat they decide she's a lucky charm The nation goes a step further Amazed at the ragtag team's sudden spurt of victories it declares her a Goddess So when the eccentric IBCC president and his mesmeric always exquisitely attired Swamiji invite Zoya to accompany the team to the tenth ICC World Cup she has no choice but to agree Pursued by international cricket boards on the one hand wooed by Cola majors on the other Zoya struggles to stay grounded in the thick of the world cup action And it doesn't help that she keeps clashing with the erratically brilliant new skipper who tells her flatly that he doesn't believe in luck *The Zoya Factor* Anuja Chauhan, **Outlook**, 2008-09-22 [Post-Monolingual Anglophone Novels](#) Birgit Neumann, 2025-09-19

Engaging with recent research in literary multilingualism studies the global anglophone and comparative studies this book theorizes the so-called post-monolingual anglophone novels Inspired by Yasemin Yildiz's *Beyond the Mother Tongue* The Postmonolingual Condition 2012 post-monolingual anglophone novels are understood as literary texts that activate multi and translingual strategies to mount a challenge to the monolingual norm and the homogenizing aspirations of English Post-monolingual anglophone novels employ literary configurations of multi and translingualism without ignoring the ongoing validity of the monolingual norm in the international book market and the power differentials inherent in English This corpus of texts is therefore highly self-conscious about the use of language As post-monolingual novels stage exchange and movement between languages they also model in the realm of fiction new concepts of language In several case studies of contemporary anglophone post-monolingual novels from different parts of the world the book demonstrates how the post-monolingual in literature operates within different cultural and political contexts The readings of Arundhati Roy's *The Ministry of Utmost Happiness* Yvonne A Owuor's *The Dragonfly Sea* Marlon James' *A Brief History of Seven Killings* J M Coetzee's *The Childhood of Jesus* and Ocean Vuong's *On Earth We're Briefly Gorgeous* propose theoretically and methodologically innovative ways of engaging with literary multi and translingualism While the analyses focus on the post-monolingual poetics they also direct attention to the novels' modes of production and circulation in the anglosphere
